Renowned photographer Malcolm Birkitt has included coverage of Honda's dynamic, new Valkyrie in this update of his best-selling Honda Gold Wing title, as well as examining all the changes in the Gold Wing since 1995. Included are intriguing early design sketches and portraits by Honda's designers and engineers.

Phil West's history of this iconic machine tells the full story, from the launch of the GL1000 in 1975 to the low-down on the latest model.
