The Ford Duratorq engine, commonly referred to as Duratorq, is the marketing name of a range of Ford diesel engines first introduced in 2000 for the Ford Mondeo range of cars. The larger capacity 5-cylinder units use the Power Stroke branding when installed in North American-market vehicles. The first design, codenamed "Puma" during its development, replaced the older Endura-D unit which had ...

Ford 2.0L Duratec HE Engine Review. Duratec HE 2.0-liter engine is the same as 1.8-liter engine, but it has the bigger bore (87.5mm). The engine was designed by Japanese company Mazda (LF model of MZR series). The 2.0-liter Duratec engine looks preferable compared to the 1.8-liter engine. It consumes the same amount of fuel, but the engine itself is more powerful, quieter, has more torque. The ...

Ford is a hugely popular car manufacturer, it's one of the largest producers of cars in the world and continuously creates both cutting edge and family-friendly cars and vans including the Fiesta, Transit, and Focus. Keep yours in top shape with the range of Ford parts available with Euro Car Parts.

Traces the story of how Henry Ford II endeavored to compete against Enzo Ferrari for dominance in the speed- and style-driven 1960s automobile industry, revealing the pivotal contributions of visionary Lee Iacocca and former racing champion-turned-engineer Carroll Shelby.

The first, and only, inside story of one of the greatest bands in rock history—Dire Straits—as told by founder member and bassist John Illsley One of the most successful music acts of all time, Dire Straits filled stadiums around the world. Their album sold hundreds of millions of copies and their music—classics like " Sultans of Swing, " " Romeo and Juliet, " " Money for Nothing, " and " Brothers in Arms " —is still played on every continent today. There was, quite simply, no bigger band on the planet throughout the eighties. In this powerful and entertaining memoir, founding member John Illsley gives the inside track on the most successful rock band of their time. From playing gigs in the spit-and-sawdust pubs of south London, to hanging out with Bob Dylan in LA, Illsley tells the story of the band with searching honesty, soulful reflection, and wry humor. Starting with his own unlikely beginnings in Middle England, he recounts the band ' s rise from humble origins to the best-known venues in the world, the working man ' s clubs to Madison Square Garden, sharing gigs with wild punk bands to rocking the Live Aid stage at Wembley. And woven throughout is an intimate portrait and tribute to his great friend Mark Knopfler, the band's lead singer, songwriter, and remarkable guitarist. Tracing an idea that created a phenomenal musical legacy, an extraordinary journey of joy and pain, companionship and surprises, this is John Illsley ' s life in Dire Straits.

This book is full of hints and tips for rebuilding and tuning Ford's CVH engine in your garage! Contains a brief history of the CVH engine, and describes what can be undertaken by you and what you should leave up to specialists. Tells you how to get more power and efficiency from your engine. Fully illustrated with photos depicting all stages of engine stripdown and rebuild. Includes chapters on carburetors, exhaust and ignition systems. Also details the CVH competition cars.
