ratings) Course Ratings are calculated from individual students' ratings and a variety of other signals, like age of rating and reliability, to ensure that they reflect course quality fairly and accurately.

~~Crash Course In Business Analysis~~ 10/2020

A Crash Course in Modern Business Management Principles. As the specialization of workplace knowledge continues at a rapid pace, many employees know more about their work than their managers. These knowledge workers often know how to manage themselves better than a manager would. Gone are the days of employees performing the same manual task over and over, with someone looking over their shoulders.
