Used Inquired about a truck on Friday, very quick communication from Adam at the dealership. Barbie in finance was very helpful. Brought the truck on Wednesday, literally 10 minutes at the dealership.

A gripping memoir from Amanda Knox's Italian ex-boyfriend, Raffaele Sollecito, chronicling his relationship with Amanda and the four years they spent in an Italian prison for a crime they did not commit.

September 1939. As Warsaw falls to Hitler's Wehrmacht, Captain Alexander de Milja is recruited by the intelligence service of the Polish underground. His mission: to transport the national gold reserve to safety, hidden on a refugee train to Bucharest. Then, in the back alleys and black-market bistros of Paris, in the tenements of Warsaw, with partizan guerrillas in the frozen forests of the Ukraine, and at Calais Harbor during an attack by British bombers, de Milja fights in the war of the shadows in a world without rules, a world of danger, treachery, and betrayal.

Un incontro sconcertante e inaspettato, il minaccioso incombere di un passato che ritorna ad affacciarsi pretenzioso, che si insinua e si impone risoluto, fino a cambiare posto, sfasando l'immagine del presente e restituendola fluida e caotica come una decalcomania mal riuscita. Una quiete interiore intaccata e una stabilità vitale improvvisamente vacillante, quelle di Liza, dolce e complicata protagonista di una storia curiosa, accattivante e struggente. Una donna tenace e decisa che ora si dibatte incredula tra malinconie e disperazione, stretta in un groviglio di emozioni, vittima di un capriccio del destino e colpevole di un segreto mai svelato. Colpita e schiacciata dalla forza improvvisa del ricordo, in lotta col suo istinto e preda indifesa dei sentimenti più inquietanti, Liza ripercorre quegli anni straordinari ma segnati da eventi oscuri, relegati in un angolo del cuore e poi banditi. Un teatro di luci e di ombre in cui, troppe volte, il silenzio aveva agito da sipario. Anni colmi di amore, giorni peni di vita, crucci e delizie, equivoci e disillusioni, momenti fuggevoli di emozioni eterne, picchi incredibili di intensità e dolore; il vissuto travolgente di una giovane ragazza alla continua e inconsapevole scoperta di

se stessa.

Vistosi occhiali da sole, curve voluttuose, lunghe gambe, tacchi mozzafiato: Barbie interpreta magnificamente l'eterno femminino creato dal conformismo consumista del Novecento. Il 9 marzo 1959 fa il suo ingresso trionfale alla fiera del giocattolo di New York una nuova bambola: il suo nome è Barbie. La casa produttrice la presenta come una teen-age fashion model: «un nuovo tipo di bambola dalla vita reale», attenta alla moda come qualsiasi altra signorina. Eppure, più che la ragazza della porta accanto Barbie ricorda le inarrivabili dive che popolano gli schermi e le fantasie delle adolescenti statunitensi. Impeccabilmente abbigliata e accessoriata, fascinosa e perfetta fidanzatina, Barbie nasce e vive con una missione ben precisa: accompagnare le bambine verso l'età adulta proponendo un modello 'perfetto' di femminilità. Assolve il suo mandato lungo l'intero arco di una carriera ormai quasi cinquantennale e attraversa le trasformazioni della società, del costume e della moda della seconda metà del Novecento senza mai rinunciare al proprio sguardo sul mondo, algido e glamour fino all'ottusità. Simbolo dell'Occidente opulento, nel nuovo millennio la pin up californiana sta però perdendo terreno: le bambine si ribellano allo stereotipo di perfezione che incarna e le preferiscono giocattoli meno 'patinati'. Il mondo tira un sospiro di sollievo: Barbie, grazie al cielo, sembra ormai roba da museo.

Presents an account of the highly publicized 2007 murder of British student Meredith Kercher that examines the controversial prosecution, conviction, and sentencing of her American roommate while critiquing vulnerabilities in the Italian legal system.

Despite all the airtime devoted to Amanda Knox, it's still hard to reconcile the fresh-faced honor student from Seattle with the sexually rapacious killer convicted of the November 2007 murder of her British roommate. Few Americans have heard all of the powerful evidence that convinced a jury that Knox was one of three people to sexually assault Meredith Kercher, brutalize her body, and cut her throat. In *Angel Face*, Rome-based *Daily Beast* senior writer Barbie Latza Nadeau -- who cultivated personal relationships with the key figures in both the prosecution and the defense -- describes how the Knox family's heavy-handed efforts to control media coverage distorted the facts, inflamed an American audience, and painted an offensive, inaccurate picture of Italy's justice system. An eye-opener for any parent considering sending a child away to study, *Angel Face* reveals what really went on in this incomprehensible crime.

The insightful essays in this book shine a new light on the roles of women within criminal networks, roles that in reality are often less traditional than researchers used to think. The book seeks to answer questions from a wide range of academic disciplines and traces the portrait of women tied to organized crime in Italy and around the world. The book offers up accounts of mafia women, and also tales of severe abuse and violence against women.

Dopo aver perso i genitori, il lavoro e aver lasciato il fidanzato, Beatrice decide di dare una svolta alla sua vita. Lascia quindi la sua amata Roma per trasferirsi in un paesino di cinquemila anime sul Lago Maggiore, dove acquista un bar ormai chiuso da tempo e, dopo una disperata ristrutturazione, apre le porte ai suoi clienti. Qui conosce personaggi autentici e bizzarri che ben presto si affezioneranno a lei. Tutti, a eccezione della sua rivale in affari, Annunciata Albume, titolare di una pasticceria, che cercherà in tutti i modi di metterle i bastoni tra le ruote. La vita in paese sembra scorrere tranquillamente fino a quando Rosa, una delle studentesse che frequenta il bar, viene trovata morta in un bosco di proprietà del conte del castello, un uomo schivo e da anni invisibile ai paesani. Sul corpo della vittima viene rinvenuta una scritta

che riporta il nome del bar e Beatrice è subito sospettata da De Gai, il nuovo maresciallo del paese. Oltre a dover lottare per dimostrare la propria innocenza, Beatrice dovrà fare i conti con il suo peso in costante aumento e il suo passato, che spesso torna a tormentarla ma, soprattutto, con la sua perenne sfortuna, che la mette spesso in situazioni comiche e grottesche.

“A surprise best-seller which, apparently, has the power to turn even the most feeble of us into axe-wielding lumberjacks.” —Independent The latest Scandinavian publishing phenomenon is not a Stieg Larsson-like thriller; it’s a book about chopping, stacking, and burning wood that has sold more than 200,000 copies in Norway and Sweden and has been a fixture on the bestseller lists there for more than a year. Norwegian Wood provides useful advice on the rustic hows and whys of taking care of your heating needs, but it’s also a thoughtful attempt to understand man’s age-old predilection for stacking wood and passion for open fires. An intriguing window into the exoticism of Scandinavian culture, the book also features enough inherently interesting facts and anecdotes and inspired prose to make it universally appealing. The U.S. edition is a fully updated version of the Norwegian original, and includes an appendix of U.S.-based resources and contacts. “A how-to guide as well as a celebration of wood—its scent, its variability, and the way it can connect modern life to simpler times . . . You don’t need to have a wood-burning stove or fireplace to be captivated by the craft and lore surrounding a Stone Age method of creating heat.” —The Boston Globe “The book has spread like wildfire.” —Daily Mail “A how-to book with poetry at its heart.” —The Times Literary Supplement
