BONKERS is an insight into her comedy roots--how she came to meet Dawn French and Ade Edmondson, when she started performing comedy, where, and with whom? Plus interesting and thoughtful insights about her personal life. This is an uplifting, funny book. How could it not be? I love people who are not afraid to laugh at themselves.

For the most part I found 'Bonkers - My Life in Laughs' entertaining and educational. But in some parts, and more frequently towards the end, a little waffly. I especially loved the chapters over Jennifer dealing with cancer. How she got through it, what happened, and how it affected her life a short time after. It was personal for me.

She's been in two of the most popular double acts in TV history. As the Saunders one out of French and Saunders, she gave the world one of its longest-lasting, most-loved comedy partnerships. And in Ab Fab's Eddie and Patsy she created two hilarious monsters we've taken to our hearts. Bonkers is the story of how it all came about. Or at least the bits she recalls. The rest she made up. Either way, it's all here: the stories, the characters, Dawn, Joanna, and, playing herself throughout: Jennifer. 'If only all celebrity biographies were this funny.' Daily Telegraph, Books of the Year 'Hilarious and brilliant.' Kirsty Young, BBC Radio 4 'Delightfully funny . . . she writes with moving honesty.' Hello!

'Mischievous and measured, Joanna Lumley gives us a remarkable portrait of a groovy life...a life astonishingly rich in experience' THE TIMES 'Captures perfectly the mixture of poshness and larkiness that has captivated Joanna Lumley's audiences...Joanna writes beautifully, managing to be both thoughtful and amusing' DAILY MAIL 'An actress with an extraordinarily varied life that has taken her from Kashmir to Kent, from Bond girl to Ab Fab. It's all here in this gloriously illustrated, entertaining memoir, that's packed with personal photos and reminiscences' WOMAN & HOME Joanna Lumley is one of Britain's undisputed national treasures. A single mum, iconic actress, voiceover artist and author, best known for her roles in ABSOLUTELY FABULOUS and THE NEW AVENGERS, she is a former model and Bond girl, a human rights activist for Survival International and the Gurkha Justice Campaign, and is now considered a 'national treasure' of Nepal as well as the UK. She has won two BAFTA awards, but it is the sheer diversity of her life that has made her so compelling a personality - early years in Kashmir and Malaya, growing up in Kent, then a photographic model before becoming an actress, appearing in a huge range of roles, and many documentaries including those on the Northern Lights, Bhutan and the Nile. 'Lumley has done it all, from sex kitten and TV star to activist for the Gurkhas. Read about it here.' - No.2 of The Independent's 'Ten Best New Memoirs' INDEPENDENT

_____ A hilarious, heartwarming memoir from one of Britain's best-loved comedians, who was longlisted for the Women's Prize for Fiction 2021. Dawn French is one of the greatest comedy actresses of our time, with a career that has spanned nearly three decades. Loved for her irreverent humour, Dawn has achieved massive mainstream success while continuing to push boundaries and challenge stereotypes. Here she describes the journey that would eventually establish her as a perhaps unlikely, but nevertheless genuine, national treasure. As part of the wildly successful and much loved duo French and Saunders, Dawn helped create a repertoire of brilliantly observed characters, parodying popular culture and impersonating everything from Madonna and Harry Potter to The Exorcist. Dawn's more recent role in the Vicar of Dibley showcased not only her talent but also her ability to take a controversial and topical issue and make

it mainstream - and very funny. From her early years as an RAF child and her flat-sharing antics with Jennifer Saunders, to her outspoken views on sizzism and her marriage to Lenny Henry, Dear Fatty will chronicle the extraordinary, hilarious rise of a complex, dynamic and unstoppable woman.

A Sunday Times Number One Bestseller Miranda Hart will carry you along with the sheer force of her charm, bumbling cheer and charisma. - Sunday Express Well hello to you dear browser. Now I have your attention it would be rude if I didn't tell you a little about my literary feast. So, here is the thing: is it just me or does anyone else find that adulthood offers no refuge from the unexpected horrors, peculiar lack of physical coordination and sometimes unexplained nudity, that accompanied childhood and adolescence? Does everybody struggle with the hazards that accompany, say, sitting elegantly on a bar stool; using chopsticks; pretending to understand the bank crisis; pedicures - surely it's plain wrong for a stranger to fondle your feet? Or is it just me? I am proud to say I have a wealth of awkward experiences - from school days to life as an office temp - and here I offer my 18-year-old self (and I hope you too dear reader) some much needed caution and guidance on how to navigate life's rocky path. Because frankly where is the manual? The much needed manual to life. Well, fret not, for this is my attempt at one and let's call it, because it's fun, a Miran-ual. I thank you.

'I defy anyone not to snort, howl and recoil' The Sunday Times 'Full of wicked asides, tart observations and sharp remarks that could only have originated in Graham Norton's witty brain.' Terry Wogan Looking around the room I saw what life really was. It was made up of my passions. I saw my life reflected back at me. People I liked, people I loved, people I had shared half a century with. All the stories of my life were together in that one room and it made me very happy. Who wouldn't want a friend like Graham Norton? A little bit naughty, full of frank advice, bursting with gossip about the world's biggest stars - but most of all with an emphatic love of life and all its joys, big and small. Join him - glass of wine in hand, faithful doggy friend by your side - and delve in as he shares the loves of his life.

The hilarious no. 1 bestseller by comedian and author of According to Yes and Oh Dear Sylvia Everyone hates the perfect family. So you'll love the Battles. Meet Mo Battle, about to turn 50 and mum to two helpless, hormonal teenagers. There's 17-year-old daughter Dora who blames Mo for, like, EVERYTHING and Peter who believes he's quite simply as darling and marvellous as his hero Oscar Wilde. Somewhere, keeping quiet, is Dad . . . who's just, well . . . Dad. However, Mo is having a crisis. She's about to do something unusually wild and selfish, which will leave the entire family teetering on the edge of a precipice. Will the family fall? Or will they, when it really matters, be there for each other? A Tiny Bit Marvellous is the number one bestselling novel from one of Britain's favourite comic writers. Praise for A Tiny Bit Marvellous: 'Funny, really enjoyable, highly recommended. A wonderful writer - witty, wise, poignant' Wendy Holden 'A fantastic slam-dunk pageturner. Funny, enriching . . . page after page I laughed out loud' Mail on Sunday 'Beautifully observed. Makes you laugh on every page' The Times 'A brilliantly observed, very funny novel of family life' Woman and Home

The number-one Sunday Times bestseller 'Walters's book - also well written - has moments of Alan Bennett warmth' SUNDAY TIMES 'This is a humorous and, at times, moving read from this much-loved actress' WOMAN AND HOME 'I was enthralled by her memoirs ... a celebrity memoir which is actually worth reading as a work of literature' AN Wilson, READER'S DIGEST Her mum wanted her to be a nurse so that is what Julie did. But in her heart she had always wanted to be an actress and soon she was on stage at the local theatre in Liverpool. Her career snowballed with highlights that include Educating Rita, Billy Elliot, Harry Potter, Acorn Antiques, Dinner Ladies and Mamma Mia! She has been nominated for two Oscars, been awarded multiple BAFTAs and a Golden Globe, plus been honoured with a DBE. This is the heart-warming and funny story of that journey.

“ Smart, fast, clever, and funny (As f*ck!) ” (Tiffany Haddish), this collection of side-splitting and illuminating essays by the popular stand-up comedian, alum of Chelsea Lately and The Mindy Project, and host of truTV 's Talk Show the Game Show is perfect for fans of the New York Times bestsellers Why Not Me? by Mindy Kaling and We Are Never Meeting in Real Life by Samantha Irby. From a young age, Guy Branum always felt as if he were on the outside looking in. From a stifflingly boring farm town, he couldn' t relate to his neighbors. While other boys played outside, he stayed indoors reading Greek mythology. And being gay and overweight, he got used to diminishing himself. But little by little, he started learning from all the sad, strange, lonely outcasts in history who had come before him, and he started to feel hope. In this “ singular, genuinely ballsy, and essential ” (Billy Eichner) collection of personal essays, Guy talks about finding a sense of belonging at Berkeley—and stirring up controversy in a newspaper column that led to a run in with the Secret Service. He recounts the pitfalls of being typecast as the “ Sassy Gay Friend, ” and how, after taking a wrong turn in life (i.e. law school), he found stand up comedy and artistic freedom. He analyzes society 's calculated deprivation of personhood from fat people, and how, though it 's taken him a while to accept who he is, he has learned that with a little patience and a lot of humor, self-acceptance is possible. “ Keenly observant and intelligent, Branum 's book not only offers uproarious insights into walking paths less traveled, but also into what self-acceptance means in a world still woefully intolerant of difference ” (Kirkus Reviews, starred review). My Life as a Goddess is an unforgettable and deeply moving book by one of today 's most endearing and galvanizing voices in comedy.
