Starters and Starter Parts– Briggs & Stratton Online Store  
Compared to the weaker 140CC engines, this gizmo from Briggs and  
Stratton can rightfully be called a monstrosity. The Briggs and  
Stratton 675 Series is the type of lawnmower you call in when others  
can't get the job done. To speak in mob terms, the weaker engines  
would be Ray Liotta, while the 675 Series would be Joe Pesci.
