When Morgan, a hereditary witch, finds herself in possession of her mother's ritual tools, she feels increasing pressure from her boyfriend and possible soul mate, Cal, who leads Morgan to use her powers in ways she thinks is wrong.

Cal, now Morgan ' s boyfriend, helps her accept the truth: Wicca is in Morgan ' s blood. As Morgan learns more about Wicca, she realizes that she needs to find out more about her parentage. The answers are there, but she doesn ' t know how to find them.

Morgan inherited a talent for witchcraft from her parents, and now she holds her mother's Wiccan tools. The tools are awesome in power, and Morgan's boyfriend, Cal, wants to see them--perhaps to seize power for himself.

Morgan and her best friend, Bree, are introduced to Wicca when a gorgeous senior named Cal invites them to join his new coven. Morgan falls for Cal immediately? and discovers that she has strong, inexplicable powers.

In Blood Witch, Morgan continues to unravel her past and the story of her birth-mother as her relationship with Cal develops. But she can't seem to settle with him and the mysterious Hunter begins to feature more heavily into her life.

Hunter, Morgan, and Alisa. Together the three worked to defeat the most unspeakable evil known to witches. Now the danger they face is just as deadly. But to vanquish their new foe, they must first defeat the weaknesses within themselves.

The Balefire coven has tried and failed to replicate the original rite that bestowed immortality upon them centuries ago. Some were hoping to finally die, others to discover new reaches of power. Twins Clio and Thais weren ' t sure what to expect, but now they are forced to confront a hidden enemy who still wants them dead. In addition, they ' re coping with the love they both feel for the same person, who has finally made his choice. Readers who devoured the first three books in this thrill-ride series will be dying to see what happens next, and they ' ll be rewarded with a shocking turn of events that no one will predict!

When her best friend drags her to a Wiccan circle, Morgan experiences things she never has before; Morgan falls for Cal Blaine and learns more about the powers she has inherited; and Cal believes Morgan is a blood witch after her powers change.

Morgan desperately searches for strength as her parents get angry with her for neglecting her schoolwork to pursue her magical studies, and as her coven-mates are persecuted for their beliefs.
