Recent years have seen fundamental changes to the law and practise of trade mark licensing. "Trade Mark Licensing 2nd edition" offers a completely rounded perspectivce on the subject, integrating discussion of legal concepts with extensive advice on practical concerns. It provides comprehensive coverage of trade mark licensing under UK and US law, and also considers relevant EU law, including EU competition law and trade mark exhaustion. A detailed sample agreement is included, complete with explanatory notes and cross-references to the main text. This edition also contains new chapters on trade mark licensing in France and Germany, and on domain name+ licensing.

Provides information on how to upgrade, maintain, and troubleshoot the hardware of laptop computers, discussing the differences among them as well as their various configuration options.
