Book description. Getting Started with
CNC is the definitive introduction to
working with affordable desktop and
benchtop CNCs, written by the creator of
the popular open hardware CNC, the
Shapeoko. Accessible 3D printing
introduced the masses to computer-
controlled additive fabrication. But the flip

Get Free Getting Started
With Cnc Personal Digital
Fabrication With Shapeoko
side of that is subtractive fabrication:
instead of adding material to create a
shape like a 3D printer does, a CNC starts
with a solid piece of material and takes
away from it.
