Beginning in Rome around 600 BC, Latin became the language of the civilized world and remained so for more than two millennia. French, Spanish, Italian, and Romanian are among its progeny and it provides the international vocabulary of law and life science. No known language, including English - itself enriched by Latin words and phrases - has achieved such success and longevity. Tore Janson tells its history from origins to present. Brilliantly conceived and written with the same light touch as his bestselling history of languages, A Natural History of Latin is a masterpiece of adroit synthesis. The author charts the expansion of Latin in the classical world, its renewed importance in the Middle Ages, and its survival into modern times. He shows how spoken and written Latin evolved in different places and its central role in European history and culture. He ends with a concise Latin grammar and lists of Latin words and phrases still in common use. Considered elitist andirrelevant in the second half of the twentieth century and often even banned from schools, Latin is now enjoying a huge revival of interest across Europe, the UK, and the USA. Tore Janson offers persuasive arguments for its value and gives direct access to its fascinating worlds, past and present.

Lesson #1: Every man loves a mystery. A scandalous siren called "Ria" has electrified the ton. Every gentleman in London desires her; every woman envies her. And they are all desperate to know the secrets of the tantalizing, seductively beautiful courtesan. All except Justin, the Earl of Baybary. He knows all about Ria. He learned every inch of her tender skin, every taste of her luscious lips . . . on their wedding night. Lesson #2: No man can make you lose control . . . unless you let him. Though theirs was an arranged marriage, still Victoria surrendered to passion and gave herself to Justin completely. When he left her alone the next morning, she swore she would never again let him into her bed. Now, though she has other reasons for returning to the city, she enjoys tormenting Justin, letting him see the way other men lust for her. But keeping herself from him is such exquisite torture . . . and forgiveness will lead to an ecstasy unbelievably divine.

The beloved romantic comedy classic from USA Today bestselling author Mindy Klasky, now in a 15th Anniversary Edition, including an all-new Author's Note! Librarian Jane Madison discovered she's a witch, and now her life is turning upside down. The local coven has delivered an offer she can't refuse:work a major spell on their behalf or lose her beloved arcane books, her sassy feline familiar, and:worst of all!her compelling astral protector, David Montrose. The coven's test isn't the only challenge Jane faces. Her new boyfriend, a handsome Brit, seems determined to distract her from magic. Her closest witchy friend has a loose grasp on arcane ethics. And Jane hardly knows what to make of her drama-queen mother, her mojito-loving best friend, and her boss's demands that she step up to the next level at work. Is sorcery the answer to Jane's problems? Or does magic spell disaster? where her love-life is concerned? Klasky keeps you entranced from start to finish.▯▯ Romantic Times If you like romantic comedy, romcom, chicklit, or humorous and funny stories about libraries, librarians, witches, witchcraft, magic, fantasy, supernatural or paranormal events, in the vein of The Kiss Quotient, The Hating Game, 99 Percent Mine, The Unhoneymooners, or Practical Magic, you will love this book! The Library, the Witch, and the Warder The Witch Doctor Is In Fae's Anatomy The Lady Doctor is a Vamp 040721mkm

Sweetbriar Summer portrays the lives of David and Louisa and their fellow settlers in the Pacific Northwest as they embrace their hard-won abundance while at the same time try to ignore the growing Indian unrest.

The Revenue Statistics in Latin America and the Caribbean publication compiles comparable tax revenue statistics for a number of Latin American and Caribbean economies. The model is the OECD Revenue Statistics database, backed by a well-established OECD methodology.

From one of the great political journalists of our time comes a boldly argued reinterpretation of the central event in our collective past:a book that portrays the American Revolution not as a clash of ideologies but as a Machiavellian struggle for power.

The adventure continues in The Glass Books of the Dream Eaters chapter 5, Ministry, the fifth instalment of the ebook serial of G.W Dahlquist's fantastic fantasy novel. Our three heroes have finally met one another, but as they attempt to make sense of the mystery of the blue glass, Miss Temple disappears. . . 'If HBO are looking for a project to follow Game of Thrones, they need seek no further . . . an epic' Scotsman 'Fantastic. Somewhere between Dickens, Sherlock Holmes and Rider Haggard. I was in seventh heaven' Kate Mosse, author of Labyrinth G. W. Dahlquist is a novelist and playwright. When he fell asleep during a snowstorm, his first book The Glass Books of the Dream Eaters came to him in a dream. He is the author of the acclaimed The Dark Volume and The Chemickal Marriage. Originally from the Pacific Northwest, he now lives in New York.

In the spring of 2003, Norman Mailer, who was then eighty years old, invited an improbable companion into his life: Dwayne Raymond, a young writer who was waiting tables at a restaurant in Provincetown, at the tip of Cape Cod, where Mailer spent most of his final years. Raymond became Mailer's aide in all matters professional and private, assisting the Pulitzer Prize-winning author on the four books he published during this time, including his last novel, The Castle in the Forest. As Raymond's responsibilities grew, so too did his closeness to Mailer, who in turn taught him how to navigate his own personal challenges. In this touching memoir, Dwayne Raymond presents a loving portrait of Norman Mailer in his twilight years, depicting a quirky and complex but achingly human man so unlike the Mailer of disquieting legend. Beautifully written and honestly portrayed, Mornings with Mailer is a personal and revealing story of a great writer, his man Friday, and their unlikely but enduring friendship.
