for both students and instructors has been greatly expanded. For students there are a Student Study Guide, Student Solutions Manual, and Student Website. For instructors there are a Instructor's Solutions Manual (both print and electronic), Test Bank, Computerized Test bank, Transparencies, and IRCD with Simulations. EGrade is also available as a testing option About The Book: This is the most comprehensive and detailed book on the market. It has been edited to clarify conceptual development in light of recent findings from physics education research, and the mechanics sequence has been re-organised so that energy is a capstone topic. The presentation of thermodynamics and quantum mechanics has been updated to provide a more modern approach, and
