How friendship, European literature, and a charismatic professor defy war, oppression, and the absurd Set in 1980s South Korea amid the tremors of political revolution, *I ' ll Be Right There* follows Jung Yoon, a highly literate, twenty-something woman, as she recounts her tragic personal history as well as those of her three

intimate college friends. When Yoon receives a distressing phone call from her ex-boyfriend after eight years of separation, memories of a tumultuous youth begin to resurface, forcing her to re-live the most intense period of her life. With profound intellectual and emotional insight, she revisits the death of her beloved mother, the strong bond with her now-dying former college professor, the excitement of her first love, and the friendships forged out of a shared sense of isolation and grief. Yoon ' s formative experiences, which highlight both the fragility and force of personal connection in an era of absolute uncertainty, become immediately palpable. Shin makes the foreign and esoteric utterly familiar: her use of European literature as an interpreter of emotion and experience bridges any gaps between East and West. Love, friendship, and solitude are the same everywhere, as this book makes poignantly

WINNER OF THE MAN ASIAN LITERARY PRIZE When sixty-nine-year-old So-nyo is separated from her husband among the crowds of the Seoul subway station, her family begins a desperate search to find her. Yet as long-held secrets and private sorrows begin to reveal themselves, they are forced to wonder: how well did they actually know the woman they called Mom? Told through the piercing voices and urgent perspectives of a daughter, son, husband, and mother, *Please Look After Mom* is at once an authentic picture of contemporary life in Korea and a universal story of family love.

culture, then at its zenith. But all fades away when he sees Yi Jin perform the traditional Dance of the Spring Oriole. Though well aware that women of the court belong to the palace, the young diplomat confesses his love to the Emperor, and gains permission for Yi Jin to accompany him back to France. A world away in Belle Epoque Paris, Yi Jin lives a free, independent life, away from the gilded cage of the court, and begins translating and publishing Joseon literature into French with another Korean student. But even in this new world, great sorrow awaits her. Betrayal, jealousy, and intrigue abound, culminating with the tragic assassination of the last Joseon empress—and the poisoned pages of a book. Rich with historic detail and filled with luminous characters, Korea's most beloved novelist brings a lost era to life in a story that will resonate long after the final page.

In this novel by Man Asian Literary Prize winner Kyung-Sook Shin, a neglected young woman experiences the violence and isolation of contemporary Korean society. Set amidst the frenzied modernization of late-twentieth-century South Korea, *Violets* is the story of San--a protagonist so unsure, ostracized, and odd by society's ruthless standards that she barely registers as stumbling through life. Following a violent childhood rejection, San is set upon a troubling path of stifled desire and isolation. One hazy summer in 1990s Seoul, she finds work at a flower shop. There, she meets a curious cast of characters: the mute shop owner, her brash coworker, and sexually aggressive male customers. Fueled by a quiet desperation to jumpstart her life, San plunges headfirst into obsessing over a magazine photographer and spirals into danger. In

parents, Jin and Mae, live in the town ' s most exclusive neighborhood, surrounded by the material comforts that Kyung desires for his wife and son. Growing up, they gave him every possible advantage—private tutors, expensive hobbies—but they never showed him kindness. Kyung can hardly bear to see them now, much less ask for their help. Yet when an act of violence leaves Jin and Mae unable to live on their own, the dynamic suddenly changes, and he ' s compelled to take them in. For the first time in years, the Chos find themselves living under the same roof.

Tensions quickly mount as Kyung ' s proximity to his parents forces old feelings of guilt and anger to the surface, along with a terrible and persistent question: how can he ever be a good husband, father, and son when he never knew affection as a child? As Shelter veers swiftly toward its startling conclusion, Jung Yun leads us through

This autobiographical work is the story of several women. Deploying a variety of texts, documents and imagery, these women are united by suffering and the transcendence of suffering.

Already a wildly popular bestseller in South Korea, this gripping and passionate debut novel is a death row love story of crime, punishment, and forgiveness—vividly told by the exquisitely talented Gong Ji-young. Yu-Jung, beautiful, wealthy, and bright, is lying in her hospital bed, recovering from her third suicide attempt, when she receives a life-changing visit. Her no-nonsense aunt, a nun, appears by her side and suggests Yu-Jung accompany her on a charitable visit to death row. At her lowest ebb, Yu-Jung is resistant. But something compels her to go to the prison. There she meets Yun-Soo, a convicted murderer who will soon be put to death.

Though she is repulsed by his crimes, something about the depth of his suffering strikes a chord in her. Shaken by their encounter, she returns to visit him the next week. And the next... Through their weekly, hour-long meetings, Yu-Jung and Yun-Soo slowly reveal to each other the dark secrets of their pasts and the hidden traumas that have shaped their lives. In doing so they form a deep, unbreakable bond, helping one another overcome their demons. But Yun-Soo ' s hands are always in cuffs, the prison officers are always in the background, and they can never lose sight of the fact that their happy time together is tragically brief. Gracefully poetic and ideal for fans of Kyung-Sook Shin ' s *Please Look After Mother*, *Our Happy Time* is a passionate and heartbreaking love story as well as an important, hard-hitting, and compassionate fable.

In 1904, a group of Koreans seeks a new life in Mexico, in this “powerful, sweeping” novel based on a little-known chapter in history (List Magazine). In 1904, facing war and the loss of their nation, more than a thousand Koreans leave their homes for the promise of land in unknown Mexico. After a long sea voyage, these emigrants—thieves and royals, priests and soldiers, orphans and families—discover that they have been sold into indentured servitude. Aboard the ship, the orphan Ijeong falls in love with a nobleman’s daughter. When the hacendados claim their laborers and the two are separated, he vows to find her. by a brutal, unsolved crime. In the summer of 2002, when Korea is abuzz over hosting the FIFA World Cup, eighteen-year-old Kim Hae-on is killed in what becomes known as the High School Beauty Murder. Two suspects quickly emerge: rich kid Shin Jeongjun, whose car Hae-on was last seen in, and delivery boy Han Manu, who witnessed her there just a few hours before her death. But when Jeongjun ' s alibi checks out, and no evidence can be pinned on Manu, the case goes cold. Seventeen years pass without any resolution for those close to Hae-on, and the grief and uncertainty take a cruel toll on her younger sister, Da-on, in particular. Unable to move on with her life, Da-on tries in her own twisted way to recover some of what she ' s lost, ultimately setting out to find the truth of what happened.
