Danielle Steel's forty-seventh bestselling novel is very much about the tides of our times, changes and responsibilities in the workplace pull two people in different directions, sweeping them into new lives and changed worlds----. Irresistible Forces For fourteen years, Steve and Meredith Whitman have sustained a marriage of passion and friendship - despite the demands of two all-consuming careers. Meredith, an investment banker, has achieved partnership in one of Wall Street's top firms. Steve A gifted physician, chose an urban trauma ward over the big money he could have earned elsewhere. The only thing missing in their lives is children. Steve longs for them. But Meredith keeps putting off motherhood, saying she isn't ready and doesn't have time. Not yet. Especially now that she has been offered an extraordinary opportunity, a chance to reach for the brass ring - in San Francisco, three thousand miles away. Meredith is thrilled and surprised when Steve urges her to accept a top position at an exciting young high-tech company. Traditionally, men's careers forces families to move to new cities, compelling their wives to abandon friends, home, and lives to follow. But Steve is more than willing to uproot himself. Saying he'll join her as he can find a new job himself, they can begin their family at last. Neither Steve nor Meredith had reckoned on the frustrations of a bi-coastal marriage, as Steve's job keeps him in New York for months longer than planned. Weekends together, their lifeline, fall prey to their hectic schedules. Alone in San Francisco, Meredith is spending long hours at the office with her boss, charismatic entrepreneur Callan Dow. Steve working late shifts at the hospital, grabbing an occasional dinner with a new colleague, a doctor raising a daughter on her own. Almost unnoticed, Steve and Meredith have begun living separate lives in increasingly separate worlds. And despite the best of intentions, irresistible forces begin to tear their lives and hearts apart. With unerring insight, Danielle Steel explores what happens when lives that fit together like delicately balanced puzzles are shifted, changed, and drift apart. Only time can tell who and what they will become as life sweeps them onward and deposits them on new, sometimes frightening, and often exciting shores. Who survives, is at the core of Irresistible Forces.

New York Times bestselling authors Mary Jo Putney, Jo Beverley, and Lois McMaster Bujold join forces with award-winning authors Catherine Asaro, Jennifer Roberson, and Deb Stover in this all-new anthology of original stories proving that love can conquer all...even the boundaries of time and space. From sixteenth-century Britain to the farthest reaches of outer space, from medieval adventures to tales of inter-galactic love, here is a compilation that explores the wonderfully kinetic forces that lovers share—forces too great to resist...

Architect Hunter McKay came home to Phoenix to open her own firm, not rekindle her romance with Tyson Steele. But when she runs into the playboy, Hunter fears she's headed straight for heartbreak once again. Still, Tyson hasn't forgotten the one who got away. Can he convince this sensual woman that he's the real deal - that they deserve a second chance together?

Will a damsel in distress be his redemption? A notorious heartbreaker is about to meet his match... One week of mind-blowing sex on a beautiful Caribbean island. Of all the business proposals financial tycoon Dominic Saxon has heard, Taylor Steele's is definitely the most tempting. All Taylor wants in return is for Dominic to father her baby. No strings, no commitments...just a mutually satisfying arrangement. Make that very satisfying. For a man with no intention of marrying again, it sounds ideal. Taylor wants a baby, not a relationship. And sexy, intelligent Dominic seems like a man with perfect genes. Turns out, Dominic has perfect everything. Their "procreation vacation" is a whirlwind of sensual ecstasy. But when it's over, will either of them be able to say goodbye?

Born into a real-estate dynasty, Brandt Wainwright chose football over the family business, and now he's a Super Bowl MVP. That streak of good fortune runs out the day Brandt crashes his SUV into a tree. During the long recuperation, the fun-loving quarterback becomes cranky and sullen—until private nurse Ciara Dennison shows up for duty. Ciara has zero interest in sports, or in tall, blond jocks with overblown egos. She's dated a man in the public eye before, and she's not repeating that mistake. Somehow Brandt keeps breaking down all her defenses, seeing through her facade to the sexy free spirit underneath. But once his recovery is complete, will he return to the celebrity life he knew—or choose the woman who can fulfill his dreams?

An amicably divorced couple--Blake, a globe-trotting entrepreneur, and Maxine, an expert on childhood trauma--confront a life-changing choice as Blake deals with hundreds of orphaned children after a devastating earthquake near one of his foreign homes.

Previously published in the anthology *Some Like It Hot*, *Irresistible Attraction* is now available as a standalone e-novella from New York Times bestselling author Brenda Jackson! Sydney Corbain never forgot her explosive encounter with Tyrone Hardcastle at her brother's wedding. So when she runs into him in New York City on business, they both see this as an opportunity to explore their undeniable attraction. But can a whirlwind of passion turn into long-lasting love?

In her fifty-ninth bestselling novel, Danielle Steel tells an unforgettable story of survival...of how two people who lost everything find hope...and of the extraordinary acts of faith and courage that bring —and keep— families together... On a windswept summer day, as the fog rolls across the San Francisco coastline, a solitary figure walks down the beach, a dog at her side. At eleven, Pip Mackenzie's young life has already been touched by tragedy; nine months before, a terrible accident plunged her mother into inconsolable grief. But on this chilly July afternoon, Pip meets someone who fills her sad gray world with color and light. And in her innocence and in his kindness, a spark will be kindled, lives will be changed, and a journey of hope will begin. From the moment the curly-haired girl walks up to his easel on the sand, Matt Bowles senses something magical about her. Pip reminds him of his own daughter at that age, before a bitter divorce tore his family apart and swept his children halfway across the world. With her own mother, Ophélie, retreating deeper into her grief, Pip spends her summer at the shore the way lonely children do: watching the glittering waters and rushing clouds, daydreaming and remembering how things used to be. That is, until she meets artist Matt Bowles, who offers to teach the girl to draw—and can't help but notice her beautiful, lonely mother. At first, Ophélie is thrown off balance by her daughter's new companion—until she realizes how much joy he is bringing into their lives, despite the sadness she sees in his eyes. As their newfound friend works his subtle magic, mother and daughter slowly begin to heal, to laugh again, to rediscover what they have lost. When summer ends, and Ophélie and Pip must leave the beach for the city, the season of healing continues. Gathering her newfound strength, Ophélie begins a volunteer job at a city outreach program, where she works with the homeless, and can no longer ignore the blessings in her own life. But as soul-sharing phone calls and autumn beach getaways deepen Ophélie and Matt's friendship, fate strikes another blow. Out of the blue, Matt must confront unfinished business from his past. Days later, Ophélie is struck by a stunning betrayal by someone she trusts. And as these events reverberate in two already wounded hearts, something extraordinary happens. Out of the darkness that has shadowed them both comes an unexpected gift of hope. With grace and compassion, Danielle Steel explores the fragile bonds between mothers and daughters, husbands and wives, family members and lifelong friends. Her haunting, impassioned novel takes us across the complex landscape of loss—to the blessings that arise from even the darkest tragedies. At once a story of triumph and a moving elegy to those who suffer and survive, *Safe Harbour* is perhaps her most powerful and life-affirming novel to date.
