This travel guide focuses on places that Holy Land tour groups typically visit and gives major attention to connections between the Bible and the land. The Holy Land is understood to overlap both present-day Israel and Jordan, so places like Gilead, Mount Nebo, Bethany-beyond-the-Jordan, and Petra are included. And while the biblical periods and biblical connections remain in the forefront, these are explored in the context of the Holy Land's long and fascinating history. Ancient "tells" dating back to the Bronze Age, colonnaded streets and temples from Hellenistic and Roman times, early Christian pilgrimage destinations, Crusader castles, Mamluk and Ottoman fortifications—all illustrated with chronological charts, maps, site plans, and photographs.
