Among Five Approaches. Third edition. Washington DC: Sage. Philosophical assumptions to consider: Ontological – what is the nature of reality (Reality is multiplex) Epistemological – what is the nature and definition of knowledge?

Creswell, J.W. 2013. Qualitative Inquiry and Research Design.

This best-selling text pioneered the comparison of qualitative, quantitative, and mixed methods research design. For all three approaches, John W. Creswell and new co-author J. David Creswell include a preliminary consideration of philosophical assumptions, key elements of the research process, a review of the literature, an assessment of the use of theory in research applications, and reflections about the importance of writing and ethics in scholarly inquiry.
