Thematic Anthology Set B Unit 8 - e13components.com J. Ellen Gainer is a professor of theater in the Performing and Media Arts department at Cornell University. She is the author of two books, Shaw's Daughters: Dramatic and Narrative Constructions of Gender (1992) and Susan Glaspell in Context: American Theater, Culture, and Politics, 1915-48 (2003). Her edited volumes include Imperialism and Theater (1995) and Performing America: Cultural ...

Amazon.com: The Norton Folk Music of Drama (Third Edition ... The Anthology of American Folk Music is a six-album compilation released in 1952 by Folkways Records (catalogue FP 251, FP 252, and FP 253), comprising eighty-four American folk, blues and country music recordings that were originally issued from 1926 to 1933. Experimental film maker Harry Smith compiled the music from his personal collection of 78 rpm records.

The once-dreaded scourge of smallpox has been eradicated through barrier immunization. The eminent scientist Edward Jenner (1749-1823) was a pioneer in demonstrating that vaccination was an effective means of preventing smallpox. In the three groundbreaking treatises contained in this volume, originally published between 1798 and 1800, Jenner summarizes his evidence in favor of vaccination and describes individual cases.

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

NEW YORK TIMES BESTSELLER • A moving memoir about the legendary author's relationship with her own mother. Emma Watson's Our Shared Shelf Book Club Pick! The story of Maya Angelou's extraordinary life has been chronicled in her multiple bestselling autobiographies. But now, at last, the legendary author shares the deepest personal story of her life: her relationship with her mother. For the first time, Angelou reveals the triumphs and struggles of being the daughter of Vivian Baxter, an indomitable spirit whose petite size belied her larger-than-life presence—a presence absent during much of Angelou's early life. When her marriage began to crumble, Vivian famously sent three-year-old Maya and her older brother away from their California home to live with their grandmother in Stamps, Arkansas. The subsequent feelings of abandonment stayed with Angelou for years, but their reunion, a decade later, began a story that has never before been told. In Mom & Me & Mom, Angelou dramatizes her years reconciling with the mother she preferred to simply call "Lady," revealing the profound moments that shifted the balance of love and respect between them. Delving into one of her life's most rich, rewarding, and fraught relationships, Mom & Me & Mom explores the healing and love that evolved between the two women over the course of their lives, the love that fostered Maya Angelou's rise from immeasurable depths to reach impossible heights. Praise for Mom & Me & Mom "Mom & Me & Mom is delivered with Angelou's trademark good humor and fierce optimism. If any resentments linger between these lines, if lives are partially revealed without all the bitter details exposed, well, that is part of Angelou's forgiving design. As an account of reconciliation, this little book is just revealing enough, and pretty irresistible."—The Washington Post "Moving . . . a remarkable portrait of two courageous souls."—"People "[The] latest, and most potent, of her serial autobiographies . . . [a] tough-minded, tenderhearted addition to Angelou's spectacular canon."—"Elle "Mesmerizing . . . Angelou has a way with words that can still dazzle us, and with her mother as a subject, Angelou has a near-perfect muse and mystery woman."—Essence

This book explores many issues raised by the range of ideas and images of the natural world in Western art since the Renaissance. The whole concept of landscape is examined as a representation of the relationship between the human and natural worlds. Featured artists include Claude, Freidrich, Turner, Cole and Ruisdael, and many different forms of landscape art are addressed, such as land art, painting, photography, garden design, panorama and cartography.

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human – and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." --Sven Birkerts, The Atlantic

A pioneering, dazzling satire about a biracial black girl from Philadelphia searching for her Jewish father in New York City Oreo is raised by her maternal grandparents in Philadelphia. Her black mother tours with a theatrical troupe, and her Jewish deadbeat dad disappeared when she was an infant, leaving behind a mysterious note that triggers her quest to find him. What ensues is a playful, modernized parody of the classical odyssey of Theseus with a feminist twist, immersed in seventies pop culture, and mixing standard English, black vernacular, and Yiddish with wisecracking aplomb. Oreo, our young hero, navigates the labyrinth of sound studios and brothels and subway tunnels in Manhattan, seeking to claim her birthright while unwittingly experiencing and triggering a mythic journey of self-discovery like no other.

A first work of non-fiction available in English by the James Joyce Foundation Award-winning Chinese author of Brothers is presented through a framework of ten common phrases in the Chinese vernacular to offer insight into the nation's modern economic gaps, cultural transformations and ubiquitous practices of deception.

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

This fantastically varied and exciting collection celebrates the great Japanese short story, from its modern origins in the nineteenth century to the remarkable works being written today. Short story writers already well-known to English-language readers are all included here – Tanizaki, Akutagawa, Murakami, Mishima, Kawabata – but also many surprising new finds. From Yuko Tsushima's 'Flames' to Yuten Sawanishi's 'Filling Up with Sugar', from Shin'ichi Hoshi's 'Shoulder-Top Secretary' to Banana Yoshimoto's 'Bee Honey', The Penguin Book of Japanese Short Stories is filled with fear, charm, beauty and comedy. Curated by Jay Rubin, who has himself freshly translated several of the stories, and introduced by Haruki Murakami, this book will be a revelation to its readers.
