To save one good man, she'll have to let her inner bad girl out to play... ER nurse Jessica Bradford is a good girl. Okay, a reformed bad girl, but she's done her late father proud. Now she's one step away from landing Dr. Perfect, aka handsome, sexy, heroic Ben Torres--the hot fudge and cherry on top of her hard work scooping out a respectable life. Ben learned the art of sacrifice from his missionary parents, but when a drunk driver he saved kills three people, he quits. To be precise, the fist he plants in the man's face gets him suspended. And the first dish he wants on his newly empty plate is Jessica--preferably naked. Jessica can't believe the Ben she's found drowning his sorrows in a bar is her knight in shining scrubs. And he won't be pried loose until she bets 48 hours of her time in a game of pool. She loses. And the next morning she stands to lose much more. The Chief of Staff's recommendation for the promotion she's been after rides on her ability to keep Ben out of trouble until things blow over. Except "trouble" is all Ben wants. And despite herself, Jessica finds that she's more than willing to go down with him...  
Warning: Contains hot love in a store dressing room and in the front seat of a car--at the expense of a very nice strawberry patch, unfortunately--oh, and hooker boots. Can't forget the hooker boots.

There's only one problem with the woman Jason "Mac" Gordon wants: his best friend's little sister is off limits. Way off limits...and too young and innocent for the likes of him. From past experience, he's learned to hide his not-so-nice preferences from the nice girls he seems to attract. That definitely includes the woman he's always thought of as a sister. At least until recently. Sara Bradford always gets what she wants—which is partly Mac's fault. After all, he helped spoil her. He thinks she's too innocent? Fine. She'll simply get un-innocent and show Mac that she wants him—the good, the bad and the nipple clamps. When Mac's plan to drive her away works too well, he's forced to follow her to a tropical paradise, determined to make sure she doesn't find her wild side with anyone but him. He's sure once she gets a real taste of what he likes, everything will go back to normal. That's until he discovers a slight kink, er, flaw in his logic

Seventeen-year-old Annabeth prefers the fantasy of her books and paintings to reality—because in reality, her mom is dead, and it was all her fault. When she accompanies her father to the funeral of some family friends who drowned, she's surprised to find her grief reflected in the face of Griffin Bradford, the son of the couple who died. Griffin is nothing like the carefree boy she once knew. Now he's irritable, removed, and he's under police investigation for his parents' deaths. One night following the memorial service, Annabeth's dad goes missing in the woods, and she suspects Griffin knows more about the disappearance than he's letting on. He refuses to answer her questions, particularly those related to the mysterious "expedition" his parents took to Ireland, where they went missing for seven months. Annabeth fears her father isn't lost, but rather a victim of something sinister. She launches her own investigation, tracing clues that whisper of myth and legend and death, until she stumbles upon a secret.

One that some would die to protect, others would kill to expose—and which twists Annabeth's fantasy and reality together in deadly new ways.

Sometimes you see love clearly. And sometimes it has to smack you in the face. Counting on Love, Book 1 When a stranger walks up and punches him, Ryan Kaye assumes there's a good reason. But he's stunned to learn it's over a one-night stand that never happened -with his friend's sister, straight-laced Amanda Dixon. When Ryan confronts her about the lie, Amanda apologizes, but Ryan realizes he doesn't want her to be sorry...he wants the night they supposedly spent together. Amanda's not looking to add anyone to her long list of commitments, so she was only trying to let a nice guy down easy by telling him a fling with Ryan broke her heart. So what if the fling only happened in her dreams? But when Ryan Kaye tempts her with the chance to go crazy and fulfill a few fantasies, she can't resist. Thank goodness one night isn't enough time to fall in love... Warning: Contains a hot paramedic who knows how to get a girl to let her hair down, a girl who thinks she prefers her hair up, some naughty laser tag, some naughty role-playing and a lot of falling in love.

A pretend relationship—within a pretend relationship. Attorney Evan Stone knows every crazy stipulation in billionaire Rudy Carmichael's will. After all, he wrote it. And he's determined to make sure each one is fully met by Rudy's triplet daughters. Even if that means dating the workaholic CEO, Ava. Or pretending to at least. And even if it means resisting the so-right-for-him-she's-totally-wrong party girl, Cori. Cori's only got three things on her to do list from her dad: Move to Bliss, Kansas. Run his pie shop with her sisters for a year. No dating. For six months. But stepping in for her sister when it's clear that Ava and Evan aren't fooling anyone with their "romance" isn't really dating. And falling for her sister's

pretend boyfriend while pretending to be her sister—well, that’s ridiculous. No matter how real things feel whenever she and Evan are together. **THE SERIES** Billionaires in Blue Jeans Not your typical billionaire romances...A tough corporate CEO, a nerdy research scientist, and a globe-trotting party girl walk into a conference room— Where the sisters, Ava, Brynn, and Cori, find out they have been named co-heirs to their father’s multi-billion dollar conglomerate. Whether they want it or not. But they also inherit a list of conditions that have to be met...Find out more at [ErinNicholas.com](http://ErinNicholas.com) What people are saying about **Diamonds and Dirt Roads!** "I flippin' LOOOOVVEEEDDDD **Diamonds and Dirt Roads!**! It is funny, sexy, sweet and oh sooo satisfying!" ~NYT bestselling author **MELANIE SHAWN**"**Diamonds and Dirt Roads** was funny and refreshing, with a delicious side of sexy. Watching Evan and Cori fall in love was heart-warming. I was smiling the entire time." ~ **LAYLA HAGEN**, USA Today bestselling author "It's been a long time since I was willing to stay up way past my bedtime to finish a book. I loved this book SO SO MUCH. I've been wanting to see atypical billionaires for years (WHY is it always men?) and Erin Nicholas has given me a book full of so much personal catnip, I couldn't put it down. Definitely Nicholas's best book yet!" ~ Author, **KAIT NOLAN**"A fresh romance featuring Billionaire sisters and the men that win their hearts! Erin Nicholas writes sinfully good stories with compelling characters and juicy plots and **Diamonds and Dirt Roads** is no exception. Its hot sizzling romance at its VERY BEST with some much needed sweetness and an AMAZING heroine and a too delicious hero" ~ Marie, Marie's Tempting Reads

All she has to do is keep the genius-nerd-turned-hot-guy away from his ex--her boss--for the weekend. Oh, and not fall for him herself in the process. Yeah, things are definitely going to get out of hand.

Forced into an arranged marriage with the Duke of Marchbourne, Lady Charlotte Wylder, after their passionate wedding night, is happy until her new husband pushes her away and past secrets mire their marriage in scandal.

For fans of Julia Quinn, Eloisa James, and Sabrina Jeffries: the elegantly seductive third historical romance in Isabella Bradford's Breconridge Brothers trilogy. Lord Rivers Fitzroy is as charming and sought-after as his rakish elder brothers, though he immerses himself more in dusty books and scholarly pursuits than in bawdy houses. Yet, Hell-bent on making the most of his remaining bachelorhood now that his father insists he marry, Rivers becomes the favorite of a troupe of Italian dancers. One night, after a performance, the handsome lord is challenged with a most provocative wager: Turn the players' meek and mousy cousin into the first lady of the London stage. But Lucia di Rossi is not what she seems. Scorned by the rest of her family, Lucia longs for the respect and stardom of a great actress. Rivers's wager could be the answer to all her hopes—so long as he understands that she wants to be an actress, not his mistress. The two commence her metamorphosis in earnest—even as passion begins to take center stage. As Lucia's dreams come true, she fears that it may be Rivers, not she, who is the master performer. Is he only making her believe he cares? Has she found the spotlight only to lose her heart—or will the final curtain reveal a love strong enough to last? Praise for *A Reckless Desire*—Isabella Bradford's remake of the *My Fair Lady* trope is exquisite. What I love the most is how Bradford's canvas of words treats the reader to a literary work of art. . . . *A Reckless Desire* is the kind of love story that makes me melt. Heroes and Heartbreakers—For those who adore Cinderella and Pygmalion plots, Bradford's third installment of the Breconridge Brothers series is perfection. With its wit and heart-tugging emotions, this winning tale steals readers' hearts. RT Book Reviews—A steamy romance with a

unique storyline . . . The twists and turns within the story will keep readers turning pages. . . . The secondary characters add some wit and humor to *A Reckless Desire*, and the dialogue is fresh and excellently written. □□Fresh Fiction □A wonderful story of two vastly different people from opposite ends of the social ladder who find each other and fall in love. □□The Reading Wench

There's no sense in pussy-footing around when it comes to love. Albert E. Washington is a nerd and proud of it. He's a cool cat when he shifts, but for the most part, he's just a guy who sometimes tapes his glasses together and enjoys quality clothing like bowties and suspenders. When his boss has him acting as an errand boy, Albert finds himself in the middle of a sexy calendar photo shoot. It's a little too much for him to process and he ends up embarrassing himself. Gregg is Mr. January—or he will be if the photo shoot ever gets going. Injuring his back when he trips on the set isn't going to speed things up. The appearance of a seriously hot guy who flips the switch on Gregg's geeky-man button makes a bad day great. Now, if Gregg can just get Albert to agree to a date, if he doesn't scare Albert off, if Albert will just pick up on the flirtatious things Gregg says... That's a lot of ifs, but Gregg isn't intimidated by them. He knows his dream man when he meets him. Now all Gregg has to do is survive the photo shoot and convince Albert to give him, and love, a chance.
