Best friends Dean and Ward work together at Reggie's garage—until Ward gets involved with Dean's younger brother, Ash. Dean gives him an ultimatum: give Ash up, or lose his best friend and his job.

The Wrench Wars Collection Welcome to Reggie's garage, where the reality television show Wrench Wars is filmed. The show is full of drama, but things really get interesting when the cameras go dark. Come see what these mechanics get up to behind the scenes. Secret love leads to blackmail. A worker with an unusual fetish finds a car enthusiast who shares his interests. The garage's owner enjoys the added business that comes with the show and the company of the show's hot producer but not studio politics. And one man makes the mistake of falling for his best friend's little brother. Hot men and hard steel. Sweat, grease, and lust. Fetishes,

backstabbing, and greed. Maybe even love. Things are heating up in the garage, and the war is on.

A motley crew of saboteurs wreak outrageous havoc on the corporations destroying America's Western wilderness in this classic, comic extravaganza. When George Washington Hayduke III returns home from war in the jungles of Southeast Asia, he finds the unspoiled West he once knew has been transformed. The pristine lands and waterways are being strip mined, dammed up, and paved over by greedy government hacks and their corrupt corporate coconspirators. And the manic, beer-guzzling, rabidly antisocial ex-Green Beret isn't just getting mad. Hayduke plans to get even. Together with a radical feminist from the Bronx; a wealthy, billboard-torching libertarian MD; and a disgraced

Mormon polygamist, Hayduke's ready to stick it to the Man in the most creative ways imaginable. By the time they're done, there won't be a bridge left standing, a dam unblown, or a bulldozer unmolested from Arizona to Utah. Edward Abbey's most popular novel, *The Monkey Wrench Gang* is an outrageous romp with ultra-serious undertones that is as relevant today as it was in the early days of the environmental movement. The author who Larry McMurtry (*Lonesome Dove*) once dubbed "The Thoreau of the American West" has written a true comedic classic with brains, heart, and soul that more than justifies the call from the Los Angeles Times Book Review that we should all "praise the earth for Edward Abbey!"
