From the bestselling author of Generation X and Microserfs,comes the absurd and tender story of a hard-living movie producer and a former child beauty pageant contender who only find each other by losing themselves. Waking up in an L.A. hospital, John Johnson is amazed that it was the flu and not an overdose of five different drugs mixed with cognac that nearly killed him. As a producer of high-adrenaline action flicks, he's led a decadent and dangerous life, purchasing his way through every conceivable variant of sex. But each variation seems to take him one notch away from a capacity for love, and while movie-making was once a way for him to create worlds of sensation, it now bores him. After his near-death experience, John decides to walk away from his life. Susan Colgate is an unbankable former tv star and child beauty pageant contender. Forced to marry a heavy metal singer in need of a Green Card after her parents squander her sitcom earnings, she becomes the alpha road rat. But when the band's popularity dwindles, the marriage dissolves. Flying back to Los Angeles in Economy, Susan's plane crashes and only she survives. As she walks away from the disaster virtually unscathed, Susan, too, decides to disappear. John and Susan are two souls searching for love across the bizarre, celebrity-obsessed landscape of LA, and are driven, almost fatefully, toward each other. Hilarious, fast-paced and ultimately heart-wrenching, Miss Wyoming is about people who, after throwing off their self-made identities, begin the fearful search for a love that exposes all vulnerabilities.

From singer Aaliyah (August 25, 2001) to wrestling villain Kurt von Brauner (March 13, 2001), the obituaries of 712 performers and filmmakers, musicians and producers, dancers and composers, writers and others associated with the performing arts who died in 2001 can be found. For each, the date, place and cause of death are provided, along with a brief recap of their career and citations from major newspaper and periodical stories reporting the death. Filmographies are given for film and television performers, and photographs of many of the individuals are included. Individual books in this annual series are available dating back to 1994. A subscription plan is available for future issues.

The electronic age is bringing sweeping changes to entertainment and media of all kinds, including publishing, broadcasting and film. Multimedia, the Internet and other digital media outlets for entertainment and information are being refined at a rapid rate. Media giants are merging and making big acquisitions. This book covers these exciting developments and provides profiles on hundreds of leading firms in film, radio, television, cable, new media, and publishing of all types including books, magazines and newspapers. It contains thousands of contacts for business and industry leaders, industry associations, Internet sites and other resources. You'll get in-depth profiles of nearly 400 of the world's top Entertainment & Media firms: our own unique list of companies that are the leaders in this field. Here you'll find complete profiles of the hot companies that are making news today, the largest, most successful corporations in all facets of the Entertainment and Media Business, from broadcasters to film production companies, casino operators to theme park companies, publishers of books and magazines to video game designers, and much more. Our corporate profiles include executive contacts, growth plans, financial records, address, phone, fax and much more. This innovative book offers unique information, all indexed and cross-indexed more for each firm! Our industry analysis section provides an exceptional discussion of business and market trends. The book includes statistical tables covering revenues for several industry sectors. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key data.

Mormons say they are Christians but are they? Do they believe in the same Bible the same God and the same Jesus that Christians follow? This book answers these questions and more: Was God ever a man? Were Jesus and Lucifer brothers? Is Scripture still being written? Are we saved by what we do? Did Joseph Smith ever give false prophecies? The meaning of terms Mormons use as well as their views on the Bible reveal the huge chasm between what Mormons and Christians believe. This book will help you share the truth with Mormons that come to your door.
