Home - Pentax Camera Repair - Harrow Technical

Our Pentax camera repair turnaround time is normally 2-3 weeks and we can undertake almost any type of repair regardless of damage sustained. It takes time to carry out an overhaul properly and after relubrication, we allow the lubricant time to fully penetrate the shutter mechanism and then recheck the shutter speeds after two or three days.

This book builds on the basics, and teaches techniques that refine your camera repair skills. Whether you tinker with cameras or own a repair shop, this book is a necessity. The ideal companion to the top selling Camera Maintenance & Repair (Book 1). Clear step-by-step techniques for repair of popular, modern cameras; over 175 detailed photos & illustrations show camera parts and the specifics of disassembly and repair; and special instructions for over 100 camera models and lenses - from Bronica to Zuiko!
