No man nor no woman could eat it like Nolan. The way he twirled his tongue, and slurped, sucked and hummed... there was no people or devices that could do what he'd done. He was the highest paid male escort in the game, with the most talent, highest skill level, and the most seductive mentality. His only problem was... He's in love. The lady he wants is in the same profession, and she doesn't want to settle down anytime soon. A sizzling must-read page-turner from National Award Winning Bestselling and extremely decorated author David Weaver. Guaranteed to drop your jaws page by page! Read the sample and see for yourself.

Althusser and Law is the first book specifically dedicated to the place of law in Louis Althusser's philosophy. The growing importance of Althusser's philosophy in contemporary debates on the left has - for practical and political, as well theoretical reasons - made a sustained consideration of his conception of law more necessary than ever. As a form of what Althusser called 'Ideological State Apparatuses', law is at the forefront of political struggles: from the destruction of Labour Law to the exploitation of Patent Law; from the privatisation of Public Law to the ongoing hegemony of Commercial Law; and from the discourse on Human Rights to the practice of judicial courts. Is Althusser still useful in helping us to understand these struggles? Does he have something to teach us about how law is produced, and how it is used and misused? This collection demonstrates that Althusser's ideas about law are more important, and more contemporary, than ever. Indeed, the contributors to Althusser and Law argue that Althusser offers a new and invaluable perspective on the place of law in contemporary life.

The Science Focus Second Edition is the complete science package for the teaching of the New South Wales Stage 4 and 5 Science Syllabus. The Science Focus Second Edition package retains the identified strengths of the highly successful First Edition and includes a number of new and exciting features, improvements and components. The innovative Teacher Edition with CD allows a teacher to approach the teaching and learning of Science with confidence as it includes pages from the student book with wrap around teacher notes including answers, hints, strategies and teaching and assessment advice.

The first fertility-boosting guide to feature the cutting-edge research results on fertility from the Nurses' Health Study More than 6 million women in the United States alone experience infertility problems User-friendly, medically approved advice clearly explained in 10 nutritional guidelines from two of Harvard Medical School's top voices in nutrition

Tyson's journey from student to senior executive when an entirely new world of human communications came into being. He traces the development of corporate identity, vision, and activities of Bell-Northern Research (BNR), which would become one of the most innovative and widely respected research-and-development organizations in the world.

Featuring art and writing from the students of the Parkland tragedy, this is a raw look at the events of February 14, and a poignant representation of grief, healing, and hope. The students of Marjory Stoneman Douglas High School share their emotional journeys that began on February 14, 2018, and continue today. This revealing and unfiltered look at teens living in the wake of tragedy is a poignant representation of grief, anger, determination, healing, and hope. The intimate collection includes poetry, eyewitness accounts, letters, speeches, journal entries, drawings, and photographs from the events of February 14 and its aftermath. Full of heartbreaking loss, a rally cry for change, and hope for a safe future, these artistic pieces will inspire readers to reflect on their own lives and the importance of valuing and protecting the ones you love.

Alpha wolf and loner Jonathan Waine was comfortable and content in his loner lifestyle. Thrown out of his pack by his father for being gay, he had finally found peace. Until the night he decided to go for a drink. That one decision changed everything: his solitude, his home, his happiness, and his future. Now, everything rested on one beautiful blond. Ethan Gregory learned long ago that if he let people in, he always ended up hurt. He has been moving from place to place for years, never allowing anyone to get close. On his way home from work one night, a stranger comes to his rescue, and he realizes that this man is his fated mate. He does the only thing he can think of. He runs. When the past comes back and literally bangs on the door, will Jonathan and Ethan get their happily ever after? Or, will they even survive long enough to find out?

"The story of a teen girl's struggle with Avoidant Restrictive Food Intake Disorder and how love helps her on the road to recovery"--

The popular names of many yogic asanas -- from Virbhadrā-asana and Hanuman-asana to Matsyendra-asana, Kurma-asana and Ananta-asana -- are based on characters and personages from Indian mythology. Who were these mythological characters, what were their stories, and how are they connected to yogic postures? Devdutt Pattanaik's newest book Yoga Mythology (co-written with international yoga practitioner Matt Rulli) retells the fascinating tales from Hindu, Buddhist and Jain lore that lie behind the yogic asanas the world knows so well; in the process he draws attention to an Indic worldview based on the concepts of eternity, rebirth, liberation and empathy that has nurtured yoga for thousands of years.
