### Codebreaking American Diplomacy 1930

Secret Messages is a meticulously researched, carefully reasoned, and well-written account of the United States government's attack on the diplomatic communications of foreign governments from 1930 to 1945, an attack that produced the most valuable secret intelligence on foreign relations and national security that the United States possessed during this period.

## David Alvarez - S-Z - Muskingum University

Secret Messages shines a bright beam into some of the darker recesses of WWII signals intelligence activities, but ends up illuminating little of critical importance to the diplomatic scene in the Second World War. While Alvarez has done a fine job of researching his topic and piecing together such a thorough account, like most of the work of the codebreakers themselves, this is a book of quiet, steady, persistent study rather than explosive revelations.
