Crazy Rich Asians meets Gossip Girl by way of Jenny Han in this knock-out debut about a Korean American teen who is thrust into the competitive, technicolor world of K-pop, from Jessica Jung, K-pop legend and former lead singer of one of the most influential K-pop girl groups of all time, Girls Generation. What would you give for a chance to live your dreams? For seventeen-year-old Korean American Rachel Kim, the answer is almost everything. Six years ago, she was recruited by DB Entertainment—one of Seoul’s largest K-pop labels, known for churning out some of the world’s most popular stars. The rules are simple: Train 24/7. Be perfect. Don’t date. Easy right? Not so much. As the dark scandals of an industry bent on controlling and commodifying beautiful girls begin to bubble up, Rachel wonders if she’s strong enough to be a winner, or if she’ll end up crushed... Especially when she begins to develop feelings for K-pop star and DB golden boy Jason Lee. It’s not just that he’s charming, sexy, and ridiculously talented. He’s also the first person who really understands how badly she wants her star to rise. Get ready as Jessica Jung, K-pop legend and former lead singer of Korea’s most famous girl group, Girls Generation, takes us inside the luxe, hyper-color world of K-pop, where the stakes are high, but for one girl, the cost of success—and love—might be even higher. It’s time for the world to see: this is what it takes to SHINE.

Medieval India was organised round universities, instead of round political centres. Men looked to seats of learning not to the thrones, In essaying to set forth a connected history of India from literature of various ages the author has done a Herculean task.
