The medical cure-alls that snake oil salesmen made in the 1800's were outrageous, fantastic and fake! Here's how it all started.

[The Real Story of Snake Oil - Consumer Reports](#)

Snake oil is derived from the fat of the Chinese water snake, although there are other snake oils made from boa constrictors, sea snakes, and other species. This fat is processed and refined into a concentrated oil that possesses high levels of an omega-3 fatty acid named eicosapentaenoic acid (EPA), which has been directly linked to a number of benefits for human health.

Snake Oil is great for adults of all ages. Because we found ourselves making a lot of the answers somewhat risque, it's probably not a great idea for adults and children to play together unless the adults agree to keep their answers G-rated. While that would be far less fun, keeping a game of Snake Oil G-rated (or maybe PG 13) is entirely possible.
