Solution focused brief therapy is a simple idea but not easy to put into practice. It consists of only three basic questions which, if they can be answered, often lead to dramatic change. The task of the therapist is to ask the questions in a way that leads the client to discover the answers and this requires considerable skill. Three Basic Questions

~~BRIEF - What Happens in Solution Focused Counselling~~

Solution-Focused Therapy: Using Evidence-Based Strategies. To do this, therapists say that you should use evidence-based strategies like coaching, organizational development, and minimalism. The point of minimalism is to get rid of all the unnecessary parts of the change process and concentrate on the client's aspirations and dreams.
