Transports students beyond the classroom on an exciting journey through the diverse Spanish-speaking world. The perfect blend of culture, instruction and interaction enables and motivates students to succeed. Units are built around countries and cities. Relevant instruction is based on multi-tiered differentiation in presentation, practice, and assessments.

An eye-opening look at the latest research findings about the success of free voluntary reading in developing high levels of literacy. * Presents and organizes information in reprints of articles written by Stephen Krashen and published in journals worldwide * Addresses 83 generalizations about research that point to the success of FVR in developing literacy

Being healthy is much more than being physically fit and free from disease. Health is the state of well-being in which all of the components of health -- physical, emotional, social, mental, spiritual, and environmental -- are in balance. To be truly healthy, you must take care of all six components. - p. 11.
