Sixteen-year-old Lucy Szabo is Undead -- at least according to her own theories about vampirism. Lucy believes that the first vampires -- with their pale skin, long teeth, and uncontrollable thirst -- were dying diabetics. And she should know. She's a diabetic herself. When Lucy becomes involved with Draco -- a self-proclaimed "real" vampire she meets in the Transylvania Internet chat room -- her world begins crashing down around her. Caught up in late-night parties and Goth culture, she begins to lose control of her grades, relationships, and health. Lucy realizes she needs to make some important choices, and fast. But it may already be too late.

from Oxford, finds lodging with a charming young aristocrat. Through this new friendship, he is introduced to the drawing-rooms of high society and finds love in an unexpected quarter. Then, suddenly, he vanishes without a trace. Alarmed, his sister, Charlotte, sets out from their crumbling country estate determined to find him. In the sinister, labyrinthine London that greets her, she uncovers a hidden, supernatural city populated by unforgettable characters: a female rope walker turned vigilante, a street urchin with a deadly secret, and the chilling "Doctor Knife." But the answer to her brother's disappearance ultimately lies within the doors of the exclusive, secretive Aegolius Club, whose predatory members include the most ambitious, and most bloodthirsty, men in England. In her first novel, Lauren Owen has created a fantastical world that is both beguiling and terrifying. The Quick will establish her as one of fiction's most dazzling talents.
