Terra Incognita: A Crime Novel of the Roman Empire (Gaius ...

Terra Incognita is the second volume. Not quite as interesting as the first, it, nevertheless, develops the story line in a happy, somewhat predictable, and amusing fashion. There is intriguing detail about the customs of the British tribes and the Roman occupiers of this misty isle.

Terra Incognita by Ruth Downie | Audiobook | Audible.com

Gaius Petreius Ruso, a medicus with the Twentieth Legion in Rome's Britain, travels to a small outpost near where his slave girl, Tilla, lived before her abduction by a rival tribe. When he arrives, he finds that a "stag man" has been hounding the Roman troops there, and a man has been killed in the traditional way of the tribes.

Memento Mori (Gaius Petreius Ruso Series #8) by Ruth ...

Legionnaire Gaius Petreius Ruso, a medical doctor, starts to investigate why these deaths have come about, and he uncovers some rather sordid imperial activity. Geminus, one of the Roman centurions, has been promoting fights to the death among Roman soldiers, for example, and having the legionnaires bet on the outcomes.

****THE NEW YORK TIMES BESTSELLER**** A serial killer is on the loose in Roman-occupied Britain, and Gaius Petreius Ruso is out to catch him... if he isn't killed first. The Gods are not smiling on army doctor Gaius Petreius Ruso in his new posting in Britannia. He has vast debts, long shifts, and an overbearing hospital administrator to deal with . . . not to mention a serial killer stalking the local streets. Barmaids' bodies are being washed up with the tide and no one else seems to care. It's up to Ruso to summon all his skills to investigate, even though the breakthroughs in forensic science lie centuries in the future, and the murderer may be hunting him down too. If only the locals would just stop killing each other and if only it were possible to find a decent glass of wine, and someone who can cook, Ruso's prospects would be a whole lot sunnier.... The first novel in the New York Times bestselling Gaius Petreius Ruso series. With a gift for comic timing and historic detail, Ruth Downie has conjured an ancient world as raucous and real as our own.

It is spring in the year of 118, and Hadrian has been Emperor of Rome for less than a year. After getting involved with the murders of local prostitutes in the town of Deva, Doctor Gaius Petreius Ruso needs to get out of town, so has volunteered for a posting with the Army on the volatile border where the Roman-controlled half of Britannia meets the independent tribes of the North. Not only is he going to the hinterlands of the hinterlands, but it his slave Tilla's homeland and she has some scores to settle there. Soon they find that Tilla's tribespeople are being encouraged to rebel against Roman control by a mysterious leader known as the Stag Man, and her former lover is implicated in the grisly murder of a soldier. Ruso, unwillingly involved in the investigation of the murder, is appalled to find that Tilla is still spending time with the lover. Worse, he is honour bound to try to prove the man innocent - and the Army wrong - by finding another suspect. Soon both Ruso's and Tilla's lives are in jeopardy, as is the future of their burgeoning romantic relationship.

At long last, Gaius Petreius Ruso and his companion, Tilla, are headed home-to Gaul. Having received a note consisting only of the words "COME HOME!" Ruso has (reluctantly, of course) pulled up stakes and brought Tilla to meet his family. But the reception there is not what Ruso has hoped for: no one will admit to sending for him, and his brother Lucius is hoping he'll leave. With Tilla getting icy greetings from his relatives, Lucius' brother-in-law mysteriously drowned at sea, and the whole Ruso family being sued for bankruptcy, it's hard to imagine an unhappier reunion. That is, until Severus, the plaintiff in the bankruptcy suit, winds up dead, and the real trouble begins... Engrossing, intricate, and-as always-wonderfully comic, Ruth Downie's latest is a brilliant new installment in this irresistible series. This is everything we've come to expect from our charming, luckless hero.

When Ruso rejoins his unit in the remote outpost of the Roman Empire known as Britannia, he finds that all is not well with the Twentieth Legion. As they keep a suspicious eye on the barbarians to the north, the legionaries appear to have found trouble even closer to home-among the native recruits to Britannia's imperial army. A young soldier has jumped off a roof, killing himself. Why? Mysterious injuries, and even deaths, begin to pile up in Ruso's medical ledgers, and it soon becomes clear that this suicide is not an isolated incident. Can the men really be under a curse? And what has this to do with the much-decorated Centurion Geminus? Bound by his sense of duty and compelled by his ill-advised curiosity, Ruso begins to ask questions nobody wants to hear. Meanwhile his barbarian wife, Tilla, starts to find out some of the answers-and is marked as a security risk by the very officers Ruso is interrogating. With Hadrian's visit looming large, the fates of the legion, Tilla, and Ruso himself hang in the balance.

Army doctor Gaius Petreius Ruso is waiting for the gods to smile on him. But, on a posting to the hostile North of Britannia, he's in for a long

wait. Not least because the locals have a new hero who likes to strap antlers to his head and scare the Romans silly, while Ruso's slave girl, Tilla, is stubbornly refusing to identify the culprit in a police line-up. But when Ruso is waylaid at the Fort of Coria, where a fellow doctor has confessed to a grisly murder, it's a case of out of the cauldron and into the fire. With Tilla thrust outside the fort (and into the arms of a former lover), Ruso is landed not only with Doctor Thessalus's patients but also the tricky task of getting him to retract the confession. Something smells fishy about this murder - and Coria is miles from the sea ... Ruso faces a nightmarish investigation - trailed by the secret police, hunted by the Stag Man and betrayed by Tilla, is it any wonder he's seeking solace in the rather-too-watery local beer?

The eighth gripping novel in the bestselling Medicus series, in which Ruso and Tilla investigate the death of the wife of Ruso's friend in the sacred hot spring of Aquae Sulis. A scandal is threatening to engulf the popular spa town of Aquae Sulis (modern-day Bath). The wife of Ruso's best friend, Valens, has been found dead in the sacred hot spring, stabbed through the heart. Fearing the wrath of the goddess and the ruin of the tourist trade, the temple officials are keen to cover up what's happened. But the dead woman's father is demanding justice, and he's accusing Valens of murder. If Valens turns up to face trial, he will risk execution. If he doesn't, he'll lose his children. Ruso and Tilla do their best to help but it's difficult to get anyone--even Valens himself--to reveal what really happened. Could Ruso's friend really be guilty as charged?

When Marcus Didius Falco, a Roman "informer" who has a nose for trouble that's sharper than most, encounters Sosia Camillina in the Forum, he senses immediately all is not right with the pretty girl. She confesses to him that she is fleeing for her life, and Falco makes the rash decision to rescue her—a decision he will come to regret. For Sosia bears a heavy burden: as heavy as a pile of stolen Imperial ingots, in fact. Matters just get more complicated when Falco meets Helena Justina, a Senator's daughter who is connected to the very same traitors he has sworn to expose. Soon Falco finds himself swept from the perilous back alleys of Ancient Rome to the silver mines of distant Britain—and up against a cabal of traitors with blood on their hands and no compunction whatsoever to do away with a snooping plebe like Falco.... The Silver Pigs is Lindsey Davis' classic novel which introduced readers around the world to Marcus Didius Falco, a private informer with a knack for trouble, a tendency for bad luck, and a frequently inconvenient drive for justice.

It is spring in the year of 118, and Hadrian has been Emperor of Rome for less than a year. After getting involved with the murders of local prostitutes in the town of Deva, Doctor Gaius Petreius Ruso needs to get out of town, so has volunteered for a posting with the Army on the volatile border where the Roman-controlled half of Britannia meets the independent tribes of the North. Not only is he going to the hinterlands of the hinterlands, but it his slave Tilla's homeland and she has some scores to settle there. Soon they find that Tilla's tribespeople are being encouraged to rebel against Roman control by a mysterious leader known as the Stag Man, and her former lover is implicated in the grisly murder of a soldier. Ruso, unwillingly involved in the investigation of the murder, is appalled to find that Tilla is still spending time with the lover. Worse, he is honour bound to try to prove the man innocent - and the Army wrong - by finding another suspect. Soon both Ruso's and Tilla's lives are in jeopardy, as is the future of their burgeoning romantic relationship.

In the New York Times bestselling Medicus series, Roman occupied Britannia is beset by crime, and army doctor Gaius Petreius Ruso is determined to catch the killers and restore order to the empire. With a gift for comic timing and historic detail, Ruth Downie has conjured an ancient world as raucous and real as our own and a hero readers will root for through every adventure. Included in this bundle are all eight books in the series: Medicus Terra Incognita Persona Non Grata Caveat Emptor Simper Fidelis Tabula Rasa Vita Brevis Memento Mori

"The seventh adventure for Downie's physician hero masterfully draws out its suspense, painting a vivid portrait of ancient Rome that feels persuasive and authentic." -Kirkus Reviews Ruso and Tilla and their new baby daughter have left Roman-occupied Britain--and the military--for Rome at the urging of Ruso's patron, Accius. Their excitement upon arriving is soon dulled by the discovery that the grand facades of polished marble mask an underworld of corrupt landlords and vermin-infested tenements. There are also far too many doctors--some skilled, but others positively dangerous. Ruso thinks he has been offered a reputable medical practice only to find that his predecessor, Doctor Kleitos, has fled, leaving a dead man in a barrel on the doorstep and the warning, "Be careful who you trust." Distracted by the body and his efforts to help Accius win the hand of a rich young heiress, Ruso makes a grave mistake, causing him to question both his competence and his integrity. With Ruso's reputation under threat, he and Tilla must protect their small family from Doctor Kleitos's debt collectors and find allies in their new home while they track down the vanished doctor and find out the truth about the unfortunate man in the barrel.
