~~The Bat - Jo Nesbo~~

The Bat (Norwegian: Flaggermusmannen, "Bat Man") is a 1997 crime novel by Norwegian writer Jo Nesbø, the first in the Harry Hole series.

~~The Bat (novel) - Wikipedia~~

Harry Hole is a Norwegian detective out of his element in Australia, investigating the death of a Norwegian national. Although he isn't really supposed to be involved, he discovers a string of linked murders, and ends up the de facto leader of an investigation into a serial killer whose identity is almost impossible to pin down.

~~REVIEW: The Bat by Jo Nesbo (Harry Hole #1)~~

The Bat is the first book, featuring the "Harry Hole" Character. He is a Norwegian Policemen with a somewhat colourful past that gets sent to Australia to solve a recent crime on a Norwegian citizen.

~~The Bat: Harry Hole 1: Nesbo, Jo, Bartlett, Don: Amazon ...~~

The Bat (Harry Hole #1) The Short Version: A younger, less damaged (although still plenty messed up) Harry Hole heads to Australia after a particular traumatic car accident at home. He's there ostensibly to look into the death of a young Norwegian girl of minor celebrity but really he's there to be kept out of sight for a while.

~~The Bat (Harry Hole #1) | Raging Biblio holism~~

The Bat is the first book, featuring the "Harry Hole" Character. He is a Norwegian Policemen with a somewhat colourful past that gets sent to Australia to solve a recent crime on a Norwegian citizen.

~~The Bat: Harry Hole 1: Amazon.co.uk: Nesbo, Jo, Bartlett ...~~

The Bat is the first Harry Hole detective story written by that handsome Norwegian Jo Nesbø and I should have read it first. If I had read it first I would have known how to pronounce Harry's last name (Hoo-leh).

~~Amazon.com: Customer reviews: The Bat: Harry Hole 1~~

The electrifying first appearance of Jo Nesbø's detective, Harry Hole. Inspector Harry Hole of the Oslo Crime Squad is dispatched to Sydney to observe a murder case. Harry is free to offer assistance, but he has firm instructions to stay out of trouble. The victim is a twenty-three year old Norwegian woman who is a minor celebrity back home.

~~El murciélago (The Bat) (Harry Hole 1) by Jo Nesbo ...~~

The first Harry Hole book was published in 1997, and is called The Bat. In The Bat, we are introduced to Harry Hole, but the Norwegian detective does not actually deal with a case in Norway in his debut novel. Instead, our hero is sent to Australia, specifically the city of Sydney, to deal with the suspicious death of a young Norwegian celebrity.

HARRY IS OUT OF HIS DEPTH. Detective Harry Hole is meant to keep out of trouble. A young Norwegian girl taking a gap year in Sydney has been murdered, and Harry has been sent to Australia to assist...

36 MILLION BOOKS SOLD WORLDWIDE HARRY IS OUT OF HIS DEPTH. Detective Harry Hole is meant to keep out of trouble. A young Norwegian girl taking a gap year in Sydney has been murdered, and Harry has been sent to Australia to assist in any way he can. HE'S NOT SUPPOSED TO GET TOO INVOLVED. When the team unearths a string of unsolved murders and disappearances, nothing will stop Harry from finding out the truth. The hunt for a serial killer is on, but the murderer will talk only to Harry. HE MIGHT JUST BE THE NEXT VICTIM.

Brilliant, audaciously rogue police officer, Harry Hole from The Snowman and The Thirst, is back and in the throes of a new, unanticipated rage--once again hunting the murderer who has haunted his entire career. Harry Hole is not in a good place. Rakel--the only woman he's ever loved--has ended it with him, permanently. He's been given a chance for a new start with the Oslo Police but it's in the cold case office, when what he really wants is to be investigating cases he suspects have ties to Svein Finne, the serial rapist and murderer who Harry helped put behind bars. And now, Finne is free after a decade-plus in prison--free, and Harry is certain, unreformed and ready to take up where he left off. But things will get worse. When Harry wakes up the morning after a blackout, drunken night with blood that's clearly not his own on his hands, it's only the very beginning of what will be a waking nightmare the likes of which even he could never have imagined.

Grainy CCTV footage shows a man walking into a bank and putting a gun to a cashier's head. He tells her to count to twenty-five. When he doesn't get his money in time, she is executed. Detective Harry Hole is assigned to the case. While Harry's girlfriend is away in Russia, an old flame gets in touch. He goes to dinner at her house and wakes up at home with no memory of the past twelve hours. The same morning the girl is found shot dead in her bed. Harry begins to receive threatening e-mails. Is someone trying to frame him for this unexplained death? Meanwhile the bank robberies continue with unparalleled savagery. Gripping and surprising, Nemesis is the new thriller by one of the biggest stars of Scandinavian crime fiction.

Inspector Harry Hole tracks a Norwegian serial killer in this installment of Jo Nesbø's New York Times bestselling series. One night, after the first snowfall of the year, a boy named Jonas wakes up and discovers that his mother has disappeared. Only one trace of her remains: a pink scarf, his Christmas gift to her, now worn by the snowman that inexplicably appeared in their yard earlier that day.

Inspector Harry Hole suspects a link between the missing woman and a suspicious letter he's received. The case deepens when a pattern emerges: over the past decade, eleven women have vanished—all on the day of the first snow. But this is a killer who makes his own rules . . . and he'll break his pattern just to keep the game interesting, as he draws Harry ever closer into his twisted web. With brilliantly realized characters and hair-raising suspense, international bestselling author Jo Nesbø presents his most chilling case yet—one that will test Harry Hole to the very limits of his sanity.

#1 International Best Seller In this electrifying new thriller from the author of *Police* and *The Snowman*, Inspector Harry Hole hunts down a serial murderer who targets his victims . . . on Tinder. The murder victim, a self-declared Tinder addict. The one solid clue—fragments of rust and paint in her wounds—leaves the investigating team baffled. Two days later, there's a second murder: a woman of the same age, a Tinder user, an eerily similar scene. The chief of police knows there's only one man for this case. But Harry Hole is no longer with the force. He promised the woman he loves, and he promised himself, that he'd never go back: not after his last case, which put the people closest to him in grave danger. But there's something about these murders that catches his attention, something in the details that the investigators have missed. For Harry, it's like hearing "the voice of a man he was trying not to remember." Now, despite his promises, despite everything he risks, Harry throws himself back into the hunt for a figure who haunts him, the monster who got away. STARRED REVIEW "Exceptional . . . Nesbo depicts a heartbreakingly conflicted Harry, who both wants to forget the horrors he's trying to prevent and knows he has to remember them in all their grim detail." --Publishers Weekly

The first "devilishly good" (The New York Times Book Review) book in the thrilling bestselling crime series featuring British inspector Alan Banks as he seeks to catch a Jack the Ripper-like killer who is prowling the countryside. Chief Inspector Alan Banks moved away from London to the quaint village of Eastvale to find some peace, but trouble can be found in a village as well as in the city. Soon Banks must contend with a Peeping Tom, a group of thieving young thugs, and the brutal murder of an elderly woman in her home. A growing friendship with psychologist Jenny Fuller and tension with wife Sandra complicate matters, particularly when Jenny and Banks's family are threatened. Ultimately, as the story builds to a surprising and terrifying climax, Banks must make some hard decisions.

In the heat of a sweltering Oslo summer, a young woman is found murdered in her flat—with one of her fingers cut off and a tiny red star-shaped diamond placed under her eyelid. An off-the-rails alcoholic barely holding on to his job, Detective Harry Hole is assigned the case with Tom Waaler, a hated colleague whom Harry believes is responsible for the murder of his partner. When another woman is reported missing five days later, and her severed finger turns up adorned with a red star-shaped diamond ring, Harry fears a serial killer is at work. But Hole's determination to capture a fiend and to expose Waaler's crimes is leading him into shadowy places where both investigations merge in unexpected ways, forcing him to make difficult decisions about a future he may not live to see.

From the internationally acclaimed author of the Harry Hole novels—a fast, tight, darkly lyrical stand-alone novel that has at its center the perfectly sympathetic antihero: an Oslo contract killer who draws us into an unexpected meditation on death and love. This is the story of Olav: an extremely talented "fixer" for one of Oslo's most powerful crime bosses. But Olav is also an unusually complicated fixer. He has a capacity for love that is as far-reaching as is his gift for murder. He is our straightforward, calm-in-the-face-of-crisis narrator with a storyteller's hypnotic knack for fantasy. He has an "innate talent for subordination" but running through his veins is a "virus" born of the power over life and death. And while his latest job puts him at the pinnacle of his trade, it may be mutating into his greatest mistake. . . .

"An elegant and complex thriller...Harrowingly beautiful." —New York Times Book Review "A hugely impressive achievement—ambitious in scope, and skilled in execution." —Los Angeles Times "The Redbreast certainly ranks with the best of current American crime fiction." —Washington Post No disrespect meant to Henning Mankell and Stieg Larsson, but Jo Nesbø, the New York Times bestselling author of *The Snowman*, is the most exciting Scandinavian thriller writer in the crime fiction business. *The Redbreast* is a fabulous installment in Nesbø's tough-as-nails series protagonist, Oslo police detective Harry Hole. A brilliant and epic novel, breathtaking in its scope and design—winner of *The Glass Key* for best Nordic crime novel and selected as the best Norwegian crime novel ever written by members of Norway's book clubs—*The Redbreast* is a chilling tale of murder and betrayal that ranges from the battlefields of World War Two to the streets of modern-day Oslo. Follow Hole as he races to stop a killer and disarm a ticking time-bomb from his nation's shadowy past. *Vogue* magazine says that "nobody can delve into the dark, twisted mind of a murderer better than a Scandinavian thriller writer"....and nobody does it better than Jo Nesbø! James Patterson fans should also take note.

Inspector Harry Hole returns from Hong Kong hot on the trail of a serial killer in this installment of Jo Nesbø's New York Times bestselling series. Inspector Harry Hole has retreated to Hong Kong, escaping the trauma of his last case in squalid opium dens, when two young women are found dead in Oslo, both drowned in their own blood. Media coverage quickly reaches a fever pitch. There are no clues, the police investigation is stalled, and Harry—the one man who might be able to help—can't be found. After he returns to Oslo, the killer strikes again, Harry's instincts take over, and nothing can keep him from the investigation, though there is little to go on. Worse, he will soon come to understand that he is dealing with a psychopath who will put him to the test, both professionally and personally, as never before.
