This important new study looks at the intersection of Greek and Egyptian art forms in the funerary sphere of Roman Egypt. A discussion of artistic change, cultural identity, and religious belief foregrounds the detailed analysis of more than 150 objects and tombs, many of which are presented here for the first time. In addition to the information it provides about individual works of art, supported by catalogue entries, the study explores fundamental questions such as how artists combine the iconographies and

File Type PDF The Beautiful Burial In Roman Egypt Art Ideny And Funerary Representational forms of different visual traditions, and why two distinct visual traditions were employed in Roman Egypt.

Roman Egypt is a critical area of interdisciplinary research, which has steadily expanded since the 1970s and continues to grow. Egypt played a pivotal role in the Roman empire, not only in terms of political, economic, and military strategies, but also as part of an intricate cultural discourse involving themes that resonate today - east and west, old world and new, acculturation and shifting identities, patterns of language use and religious belief, and the management of agriculture and trade. Roman Egypt was a literal and figurative crossroads shaped by the movement of people, goods, and ideas, and framed by permeable boundaries of

File Type PDF The Beautiful Burial In Roman Egypt Art Ideny And Funerary

self and space. This handbook is unique in drawing together many different strands of research on Roman Egypt, in order to suggest both the state of knowledge in the field and the possibilities for collaborative, synthetic, and interpretive research. Arranged in seven thematic sections, each of which includes essays from a variety of disciplinary vantage points and multiple sources of information, it offers new perspectives from both established and younger scholars, featuring individual essay topics, themes, and intellectual juxtapositions.

Osiris, god of the dead, was one of ancient Egypt's most important deities. The earliest secure evidence for belief in him dates back to the fifth dynasty (c.2494-2345BC), but he

File Type PDF The Beautiful Burial In Roman Egypt Art Ideny And Funerary Religion Oxford Studies In Ancient Culture Representation continued to be worshipped until the fifth century AD. Following Osiris is concerned with ancient Egyptian conceptions of the relationship between Osiris and the deceased, or what might be called the Osirian afterlife, asking what the nature of this relationship was and what the prerequisites were for enjoying its benefits. It does not seek to provide a continuous or comprehensive account of Egyptian ideas on this subject, but rather focuses on five distinct periods in their development, spread over four millennia. The periods in question are ones in which significant changes in Egyptian ideas about Osiris and the dead are known to have occurred or where it has been argued that they did, as Egyptian aspirations for the Osirian afterlife took time to coalesce and reach their fullest form of

File Type PDF The Beautiful Burial In Roman Egypt Art Ideny And Funerary expression. An important aim of the book is to investigate when and why such changes happened, treating religious belief as a dynamic rather than a static phenomenon and tracing the key stages in the development of these aspirations, from their origin to their demise, while illustrating how they are reflected in the textual and archaeological records. In doing so, it opens up broader issues for exploration and draws meaningful cross-cultural comparisons to ask, for instance, how different societies regard death and the dead, why people convert from one religion to another, and why they abandon belief in a god or gods altogether.

Against the background of questions on cultural identity and

File Type PDF The Beautiful Burial In Roman Egypt Art Ideny And Funerary

memory, this book offers an overview of the development of the cults of Isis in Hellenistic and Roman Egypt, often presenting new or unpublished material.

This interdisciplinary study investigates the divine personas in the so-called magical hymns of the Greek magical papyri which, in a corpus usually seen as a significant expression of religious syncretism with strong Egyptian influence, were long considered to be the 'most authentically Greek' contribution. Fifteen hymns receive a line-by-line commentary focusing on religious concepts, ritual practice, language and style. The overarching aim is to categorise the nature of divinity according to its Greek or Egyptian elements, examining earlier Greek and Egyptian sources and

File Type PDF The Beautiful Burial In Roman Egypt Art Ideny And Funerary religious-magical traditions in order to find textual or conceptual parallels. Are the gods of the magical hymns Greek or Egyptian in nature? Did the magical hymns originate in a Greek or Egyptian cultural background? The book tries to answer these questions and to shed light on the religious plurality and/or fusion of the two cultures in the treatment of divinity in the Greek magical papyri.

During the Principate (roughly 27 BCE to 235 CE), when the empire reached its maximum extent, Roman society and culture were radically transformed. But how was the vast territory of the empire controlled? Did the demands of central government stimulate economic growth or endanger survival? What forces of cohesion operated to balance the

File Type PDF The Beautiful Burial In Roman Egypt Art Ideny And Funerary

social and economic inequalities and high mortality rates? How did the official religion react in the face of the diffusion of alien cults and the emergence of Christianity? These are some of the many questions posed here, in the new, expanded edition of Garnsey and Saller's pathbreaking account of the economy, society, and culture of the Roman Empire. This second edition includes a new introduction that explores the consequences for government and the governing classes of the replacement of the Republic by the rule of emperors. Addenda to the original chapters offer up-to-date discussions of issues and point to new evidence and approaches that have enlivened the study of Roman history in recent decades. A completely new chapter assesses how far Rome ' s subjects resisted her hegemony. The

File Type PDF The Beautiful Burial In Roman Egypt Art Ideny And Funerary bibliography has also been thoroughly updated, and a new color plate section has been added.

In *The Egyptian Elite as Roman Citizens: Looking at Ptolemaic Private Portraiture* Giorgia Cafici offers the analysis of private, male portrait sculptures as attested in Egypt between the end of the Ptolemaic and the beginning of the Roman Period.

In Roman Egypt, major changes and a slow process of transformation can be observed alongside unbroken traditions. The multi-ethnic population was situated between new patterns of rule and traditional lifeways. This tension between change and permanence was investigated

A consideration of transaction costs and associations in the ancient world

The Oxford Dictionary of Late Antiquity is the first comprehensive reference book covering every aspect of history, culture, religion, and life in Europe, the Mediterranean, and the Near East (including the Persian Empire and Central Asia) between the mid-3rd and the mid-8th centuries AD, the era now generally known as Late Antiquity. This period saw the re-establishment of the Roman Empire, its conversion to Christianity and its replacement in the West by Germanic kingdoms, the continuing Roman

File Type PDF The Beautiful Burial In Roman Egypt Art Ideny And Funerary

Empire in the Eastern Mediterranean, the Persian Sassanian Empire, and the rise of Islam. Consisting of over 1.5 million words in more than 5,000 A-Z entries, and written by more than 400 contributors, it is the long-awaited middle volume of a series, bridging a significant period of history between those covered by the acclaimed Oxford Classical Dictionary and The Oxford Dictionary of the Middle Ages. The scope of the Dictionary is broad and multi-disciplinary; across the wide geographical span covered (from Western Europe and the Mediterranean as far as the Near East and Central Asia), it provides succinct and pertinent information on political history, law, and administration; military history; religion and philosophy; education; social and economic history; material culture; art and architecture; science; literature; and many

File Type PDF The Beautiful Burial In Roman Egypt Art Ideny And Funerary
other areas. Drawing on the latest scholarship, and with a formidable international team of advisers and contributors, The Oxford Dictionary of Late Antiquity aims to establish itself as the essential reference companion to a period that is attracting increasing attention from scholars and students worldwide.
