Hamilton is an epic conclusion to dramatic and compelling series. The Confederation is verging on collapse, unable to prevent the enemy from sweeping through the galaxy. And Earth's defences have finally been penetrated, its giant domed cities

destroyed one by one.
As time runs out for
civilisation, those who
fight on must join
forces and form new
alliances - but an
enemy's enemy isn't
always a friend. The
war is desperate on
all fronts, with battles
fought on a scale
unseen by humankind
for six centuries.
