A powerful and practical guide to help you navigate racism, challenge privilege, manage stress

and trauma, and begin to heal. Healing from racism is a journey that often involves reliving trauma and experiencing feelings of shame, guilt, and anxiety. This journey can be a bumpy ride, and before we begin healing, we need to gain an understanding of the role history plays in racial/ethnic myths and stereotypes. In so many ways, to heal from racism, you must re-educate yourself and unlearn the processes of racism. This book can help guide you. The Racial Healing Handbook offers practical tools to help you navigate daily and past experiences of racism, challenge internalized negative messages and privileges, and handle feelings of stress and shame. You'll also learn to develop a profound racial consciousness and conscientiousness, and heal from grief and trauma. Most importantly, you'll discover the building blocks to creating a community of healing in a world still filled with racial microaggressions and discrimination. This book is not just about ending racial harm—it is about racial liberation. This journey is one that we must take together. It promises the possibility of moving through this pain and grief to experience the hope, resilience, and freedom that helps you not only self-actualize, but also makes the world a better place.

A spiritual guidebook to treating ailments and preventing illness using plants, essential oils, aromatherapy, and other natural elements. Bestselling author Cerridwen Greenleaf shares the healing power of plants, roots, herbs, essential oils, aromatherapy, and all things natural remedies. If you are tired of automatically turning to chemical treatments, or just want to have more plant-based care options, The Herbal Healing Handbook is the book for you. While health care debates rage all around us, one way to take good care of yourself and your loved ones is with the “kitchen cabinet cures” in this book. When our great grandmothers needed to attend to the cuts, bruises, colds, flu’s fevers, and other illnesses their family suffered, they didn’t have a corner drugstore. Instead, these wise women relied on simple wisdom, common sense, and pantries well stocked with herbal remedies. These preparations were made from plants that grew in the kitchen garden or wild weeds gathered outside. The Herbal Healing Handbook
