!The Little Voice Inside! Hypoxic Ischaemic Encephalopathy (HIE) occurs when the foetal brain does not receive enough oxygen. This can lead to severe impairment or death of the baby and is of course devastating for both families and staff.

!The Little Voice Inside!

"The Little Voice takes the world we live in, the world we take for granted, and makes us think about it in a whole new way... It makes the reader ask themselves all the questions they've been bottling up and avoiding. And that, in itself, is a pretty remarkable feat."--- Buzzfeed --- "At times, it will make you feel uncomfortable.

The use of 'dear reader' and 'let me explain' became a little bit annoying, as well as the quotes feeling a bit forced into the text. They were necessary but a smoother approach to them would have made the story flow a little easier. Beside from that, it is a good read. A great intro to philosophy and psychology in education.
