The Orthodox Study Bible: Ancient Christianity Speaks to ...

The Orthodox Study Bible is a treasure of ancient Church wisdom. I never knew how important it would be for the Old Testament to be Septuagint rather than the Hebrew until I did some studies. Historically, the Septuagint was the primary source of Old Testament for the Jews prior to Christ's First Coming and was used by Christ, and the Early...

Orthodox Christianity is the face of ancient Christianity to the modern world and embraces the second largest body of Christians in the world. In this first-of-its-kind study Bible, the Bible is presented with commentary from the ancient Christian perspective that speaks to those Christians who seek a deeper experience of the roots of their faith. --From publisher's description.

This is the only resource Bible written with study aids and articles written from an Orthodox Christian perspective- the New Testament and Psalms are interpreted from the doctrinal foundation of the Orthodox Church. For the guidance of respected scholars of the Orthodox faith working within a tradition of biblical interpretation which goes back to the apostles themselves.

Christianity's roots run deep with examples of strong faith from spiritual giants extending throughout history. One of the greatest needs today is for Christians to be lifted up from our current cultural moment and be refreshed by the insights and wisdom of ancient believers. Today's church can be renewed by listening to yesterday's saints. This CSB Study Bible for men and women features study notes and commentary from the writings of the church fathers of the second through fifth centuries to help you understand and apply their rich, biblical insights to your life, for preparation to teach or for Bible studies. Also included in the CSB Ancient Faith Study Bible are "Twisted Truth" call-outs describing where some ancient thinkers drifted from orthodoxy, over 25 feature articles highlighting a key selection from one of the early church fathers on an essential Christian truth, and biographies of 25 of the most influential patristic church fathers. The study Bible's commentary and writings are from: Irenaeus of Lyons, Origen, Justin Martyr, Tertullian, Clement of Alexandria, Ambrose of Milan, Augustine of Hippo, Athanasius of Alexandria, John Chrysostom, Jerome, the Cappadocian Fathers, and more. Features of this CSB Bible include: Study notes from the early church, exclusive feature articles, profiles of patristic fathers, "Twisted Truth" call-outs, author index to easily find commentary from individual church fathers, presentation page, book introductions, two-column text, 10.25-point type size, 8-point study notes, black-letter text, Smyth-sewn binding, Bible ribbon markers, full-color maps, and more. CSB Bibles by Holman feature the highly readable, highly reliable text of the Christian Standard Bible® (CSB). The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-transforming message and to share it with others.

Edited by Vassilios Papavassiliou, the Ancient Faith Prayer Book brings together the most ancient and popular prayers of Orthodox Christians with some additions that address issues of modern life, all rendered in elegant contemporary English and presented in a compact format for ease of use.

Cycle of daily Gospel and Epistle readings based on the movable calendar, which starts with Easter (Pascha), includes the fifty days after the Resurrection, Pentecost and the 37 weeks that followed, the Week of the Publican and the Pharisee, followed by the Triodion, which begins 10 weeks before Easter, and includes the Preparation for Lent, Great Lent and Holy Week. This work is particularly addressed to those who set aside an hour daily for prayer and meditation. Appendices are added for Sunday matins, major fixed feasts such as Nativity, Theophany and other Feast days of Martyrism saints. But since this volume is not arranged according to the fixed calendar which lists all the saints and fixed feasts for each day of the month, a suitable companion would be a Menaion, which provides a fuller treatment of the major feast days, and the flow of church seasons.

Since its first publication thirty years ago, Timothy Ware's book has become established throughout the English-speaking world as the standard introduction to the Orthodox Church. Orthodoxy continues to be a subject of enormous interest among Western Christians, and the author believes that an understanding of its standpoint is necessary before the Roman Catholic and Protestant churches can be reunited. He explains the Orthodox views on such widely ranging matters as ecumenical councils, sacraments, free will, purgatory, the papacy and the relation between the different Orthodox churches.

In this one-of-a-kind study Bible, you'll find commentary from the ancient Christian perspective, sources that shine with heavenly insight. Hear the inspiring voices of believers from the first millennium after Christ and unite your intellect and heart of faith for a rich spiritual experience.

In this one-of-a-kind study Bible, you'll find commentary from the ancient Christian perspective, sources that shine with heavenly insight. Hear the inspiring voices of believers from the first millennium after Christ and unite your intellect and heart of faith for a rich spiritual experience.

Here is a nice, large, easy-to-read hardcover edition of the acclaimed Classic Orthodox Bible. The English of the praying Orthodox Church, the English of the prayers and Liturgies, the English of the common Orthodox Christians and the hymn of Scripture itself, is the English of Thee's and Thou's, not the street, the TV news, or the blog. And even if they can't put a finger on it, there is something more that is beautiful about the older classic

language. As one literature professor said, "The problem with the King James Version is the translators' shaky grasp of Hebrew. The problem with all modern versions is the translators' increasingly shaky grasp of English." And there's more to it than that. The Classic Orthodox Bible has, as its foundation, Sir Lancelot Brenton's translation of the Greek Old Testament, the Septuagint. All other known translations that revised Sir Lancelot have revised his language to be newer and more modern; though this is not an important distinction, this text revised Sir Lancelot to be very slightly more archaic and read more authentically like the King James Version. There have been multiple changes made, though not all that many for a new Bible version. In any case the attempt was made to cut with the grain rather than against it, and to preserve and enhance a rendering that is the English of the praying Orthodox Church. A number of metaphors present themselves to the simple Christian trying to choose rightly from all the Bible versions available: there are murky waters, or a dizzying array, or a labyrinth. Whatever name is given to this confusing task, the Classic Orthodox Bible comes with a roadmap that comments not just itself, the Classic Orthodox Bible (COB), but also the Eastern / Greek Orthodox Bible (EOB), English Standard Version (ESV), King James Version (KJV, also called the Authorized Version or AV), the Message, New English Translation of the Septuagint (NETS), New International Version (NIV), New Jerusalem Bible (NJB), New King James Version (NKJV), New Living Translation (NLT), Orthodox Study Bible (OSB), and Revised Standard Version (RSV). But the advice is simple. If you only read version, read the Orthodox Study Bible, from <http://tinyurl.com/orthodox-study-bible>. But if you read more, as there is good reason, read the Classic Orthodox Bible.
