Margaret Atwood is simply one of the best English-language writers in the world today, and when I re-read "The Robber Bride" recently I was reminded why. Her use of language is careful, subtle, and powerful, and her fiction always includes little insights into character that make them utterly real in their imperfect humanity.

Bride (1993), alternating between the present-day and flashbacks, is told from the alternating points of view of three different women, examining how their lovers were stolen from them by a university classmate. Their mutual hatred for this woman unites the three friends and turns them into allies, bolstering one another against the after-effects of their lovers' betrayal.
