"Selling Today: Creating Customer Value, one of the most popular sales information books on the market, offers readers a blend of time-proven fundamentals and new practices needed to succeed in today's information economy. It emphasizes the need for salespeople to be guided by the new principle of personal selling: establishing partnerships that are maintained by customer value, created by the salesperson. This edition stresses the need for sales professionals to cope with new forces shaping the world of sales and marketing, and emphasizes the strategies for long-term success. It provides comprehensive coverage of consultative selling, strategic selling, partnering, and value-added selling. Sales force automation is also a major theme. For sales and marketing professionals."--Product description.

This collection contains 18 worship suites arranged by 17 of today's top Christian music arrangers. Within the suites are attractive arrangements of more than 50 of the best-loved hymns including "Blessed Assurance," "In the Garden," "When Morning Gilds the Skies," and more. Each suite is united by a central spiritual theme with correlating Scripture verses. Additionally, approximate performance times are included for service planning. Suite titles: Comfort in the Time of Need (Mary K. Sallee) * Consecration

The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. Rich in titles on English life and social history, this collection spans the world as it was known to eighteenth-century historians and explorers. Titles include a wealth of travel accounts and diaries, histories of nations from throughout the world, and maps and charts of a world that was still being discovered. Students of the War of American Independence will find fascinating accounts from the British side of conflict. ++++ The below data was compiled from various identification fields in the bibliographic record of this title.
