(e.g. the engine control unit). • PID (“Parameter Identification Description”): The PID consists of a number that designates a parameter (value) to which the fault code relates (oil pressure, for example). • PPID (“Proprietary PID”): The same as the PID, but this is a Volvo-specific parameter.

~~Fault Codes Information of Volvo Engine~~

With the wires from the controls and instruments going to the helm control unit (hcu) then going do the power control unit (pcu)in the engine room by can-bus then to the ecu on the engine (behind heat exchanger) by can-bus again. The red yellow wire then comes out of the ecu and to the starter.

Ideal for students, entry-level technicians, and experienced professionals, the fully updated Sixth Edition of **MEDIUM/HEAVY DUTY TRUCK ENGINES, FUEL & COMPUTERIZED MANAGEMENT SYSTEMS** is the most comprehensive guide to highway diesel engines and their management systems available today. The new edition features expanded coverage of natural gas (NG) fuel systems, after-treatment diagnostics, and drive systems that rely on electric traction motors (including hybrid, fuel cell, and all-electric). Three new chapters address electric powertrain technology, and a new, dedicated chapter on the Connected Truck addresses telematics, ELDs, and cybersecurity. This user-friendly, full-color resource covers the full range of commercial vehicle powertrains, from light- to heavy-duty, and includes transit bus drive systems. Set apart from any other book on the market by its emphasis on the modern multiplexed chassis, this practical, wide-ranging guide helps students prepare for career success in the dynamic field of diesel engine and commercial vehicle service and repair. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The world offers fantastic experiences and human encounters in new environments; these are lifes highlights. In *My Impressions*, author Frank Olsson captured many special moments during his worldwide travels and now shares these in this memoir and travelogue. A collection of twenty-nine notes on life and travel, the events take place in Asia, the United States, Europe, and New Zealand. The vignettes describe the locations and experiences with a light and positive approach, reflecting Olssons appreciation for his rich life. Meet the cab driver in New York; have a drink at the Wells Tavern; tour Petoskey, Michigan; stroll the streets of Milano; and relax on the beach at Waikiki. Filled with vivid descriptions of people and surroundings, and interspersed with tidbits of local history, *My Impressions* showcases Olssons wide array of experiences during his international travels in the banking industry. The writings highlight Olssons openness to new people and new situations, and underscores the philosophy that deep and genuine friendships can be made anywhere in the world.
