of the politically progressive, influential newspaper strip. This is the first time Pogo has been complete and in chronological order anywhere—with all 208 Sunday strips from these four years presented in lush full color for since their original appearance in Sunday newspaper sections.

This volume includes a pig with an ominous resemblance to Nikita Khrushchev and a scruffy goat who looks exactly like Fidel Castro. Both assure Okefenokeeans that a one-party system is

the way to go; all will be well economically, they explain, because "the shortage will be divided amongst the peasants." Other storylines spotlight Kelly's remarkable cast: Pogo Possum, Albert Alligator, Howland Owl, "Churchy" LaFemme, Beauregard Bugleboy, Porky Pine, Miz Ma'm'selle Hepzibah, Deacon Mushrat, and so many others. All 104 Sunday strips from those two years are included, with supplementary features (including comprehensive annotations and index) by comics historians R.C. Harvey, Maggie Thompson, and Mark Evanier.

It's in this volume (featuring another two years worth of Pogo strips) that we meet one of Walt Kelly's boldest political caricatures. Folks across America had little trouble equating the insidious wildcat Simple J. Malarkey with the ascendant anti-Communist senator, Joseph McCarthy. The subject was sensitive enough that by the following year a Providence, Rhode Island newspaper threatened to drop the strip if Malarkey's face were to appear in it again. Kelly's response? He had Malarkey appear again but put a bag over the character's head

for his next appearance.

Ergo, his face did not appear. (Typical of Kelly's layers of verbal wit, the character Malarkey was hiding from was a Rhode Island Red hen, referencing both the source of his need to conceal Malarkey and the underlying political controversy.) The entirety of these sequences can be found in this book. But the Malarkey storyline is only a tiny portion of those rich, eventful two years, which include such classic sequences as con-man Seminole Sam's attempts to corner the market on water (which Porkypine's Uncle Baldwin tries to one-up by

cornering the market on dirt); a return engagement of Pup Dog and Houndog's blank-eyed Little Orphan Annie parody Li'l Arf and Nonny; Churchy La Femme going in drag to deliver a love poem he wrote, Cyrano style, on Deacon Mush-rat's behalf to Sis Boombah (the aforementioned hen); P.T. Bridgeport's return to the swamp in search of new talent; and of course two rousing choruses of Deck Us All With Boston Charlie.

From Pogo's inception in 1948 until Kelly's death, the artist combined remarkable draftsmanship, slapstick humor, fierce social satire, and inventive dialogue and dialects. He used the adventures of his animals--all denizens of the Okefenokee Swamp--as a means to comment on American and international politics and cultural mores.
