Intermediate Accounting: IFRS Edition provides the tools global accounting students need to understand IFRS and how it is applied in practice. The emphasis on fair value, the proper accounting for financial instruments, and the new developments related to leasing, revenue recognition, and financial statement presentation are examined in light of current practice. Global Accounting Insights highlight the important differences that remain between IFRS and U.S. GAAP, and discuss the ongoing joint convergence efforts to resolve them. Comprehensive, up-to-date, and accurate, Intermediate Accounting: IFRS Edition includes proven pedagogical tools, designed to help students learn more effectively and to answer the changing

Manual

The Canadian Edition of Weygandt, Kieso, Kimmel, Trenholm, Kinnear, Atkins, Principles of Financial Accounting has been carefully developed to make the subject of accounting clear and fascinating to students. Our passion is to empower students to success by giving them the tools and the motivation they need to excel in their accounting courses and their future careers. The book has been praised by students and instructors across the country for its outstanding visual design, its carefully integrated pedagogy, currency and accuracy of material, and its excellent writing style and clarity of presentation.

Intermediate Accounting by Kieso, Weygandt, and Warfield is, quite simply, the standard by which all other intermediate texts are measured.

Through the thirty years, and ten best-selling editions, the text has built a reputation for accuracy,

comprehensiveness, and student success.

This Updated Edition features and incorporates the 2005 FASB key accounting standards that have been updated since the original publication of "Intermediate Accounting, 11th Edition."

The Updated Eleventh Edition maintains the qualities for which the text is globally recognized, and continues to be your students' gateway to the profession!

Included in the package is the "Problem-Solving Survival Guide."

Weygandt's Accounting Principles introduces challenging accounting concepts with examples that are familiar to accountants. The new edition has been updated with the latest IFRS/IASB standards. Additional coverage is included
