The charismatic and troubled Vivian, serial wife and drinker, was a tough woman to love, though everyone did, and now she was dead. Maggie knows that she cannot move forward without diving backwards into the chaos and characters that defined her youth. Upholding a generations long tradition of self-medicating, Maggie navigates her way through thinly suppressed rage and childhood fears in an attempt to figure out what finally really happened to her mother. Swaddled in a haze of Valium and sarcasm, she begins to suspect that her mother's death was not an accident. Determined to understand the motivation behind a lifetime of drunken deception, Maggie delves into
