Only a few weeks into her new job as a private investigator, Lexi Graves thinks she may have bitten off more than she can chew with her first solo cases. In between going undercover as a plush pony at a "Bronie" conference and following her cheating brother-in-law, she's got a saboteur-turned-killer to catch and a missing woman to find. Two of her cases may be connected, but how? There's no short list of suspects to investigate, but the closer Lexi gets to the killer, the more her life is put in jeopardy. Trying to avoid being framed for a murder she didn't commit, Lexi knows her luck is running out. To make matters worse, her boyfriend, sexy detective, Adam Maddox, thinks she's out of the PI game faster than she got into it. Her boss, the mysterious Solomon, meanwhile, hopes to get her between the sheets by night, as well as solving cases by day, and Lexi's "just say no" resolve might not be as fortified as she believes. All she wants is to be taken seriously and there's only one way she can do that—solve the cases, no matter what. Maggie Lee is not your average hitwoman. For one thing, she's never killed anyone. For another, after hitting her head in the car accident that killed her sister, her new best friend is a talking lizard—a picky eater, obsessed with Wheel of Fortune, that only Maggie can hear. Maggie, who can barely take care of herself, is desperate to help her injured and orphaned niece get the best medical care possible, so she reluctantly accepts a mobster's lucrative job offer: major cash to kill his monstrous son-in-law. Paired with Patrick Mulligan, a charming murder mentor (who happens to moonlight as a police detective), Maggie stumbles down her new career path, contending with self-doubt, three meddling aunts, a semi-psychic friend predicting her doom, and a day job she hates. Oh, and let's not forget about Paul Kowalski, the sexy beat cop who could throw her ass in jail if he finds out what she's up to. Training has never been so complicated! And, this time, Maggie has to get the job done. Because if she doesn't . . . she's the mob's next target.

Take three wacky aunts, two talking animals, one nervous bride, and an upcoming hit, and you've got the follow-up to JB Lynn's wickedly funny *Confessions of a Slightly Neurotic Hitwoman*. Knocking off a drug kingpin was the last thing on Maggie Lee's to-do list, but when a tragic accident leaves her beloved niece

Unfortunately, they talk back. It's just another day in the life of this neurotic hitwoman...
