"When I listen to the evening news or read the morning paper these days my reaction is always the same: what's wrong in our world will not be set right until people who love God and who refuse to cave to these overwhelming challenges put the things they believe into action, things like courage and discipline and love." Bill Hybels Who You Are When No One's Looking has pointed the way to godly character for more than twenty years. Now Bill Hybels's essential book is completely revised and updated, featuring a new introduction, a new concluding chapter ("World-Change: When Character Counts Most") and a discussion guide for groups. Read this book to discover who God is calling you to be in the world around you.

father and sets out on an adventure, only to find that leaving home was a very bad decision.

Presents a collection of short works featuring sympathetic protagonists whose inherent sensitivities render them particularly vulnerable to unexpected events.

"It's Not How Good You Are, It's How Good You Want to Be is a handbook of how to succeed in the world: a pocket bible for the talented and timid alike to help make the unthinkable thinkable and the impossible possible. The world's top advertising guru, Paul Arden, offers up his wisdom on issues as diverse as problem solving, responding to a brief, communicating, playing your cards right, making mistakes, and creativity – all endeavors that can be applied to aspects of modern life. This uplifting and humorous little book provides a unique insight into the world of advertising and is a quirky compilation of quotes, facts, pictures, wit and wisdom – all packed into easy-to-digest, bite-sized spreads. If you want to succeed in life or business, this book is a must."

During the days of Nazi terror in Europe, many Jewish children were taken from their families and hidden. Régine Miller was one such child, who left her mother, father, and brother when she was 10 years old. Utterly alone as she is shunted from place to place, told to tell no one she is Jewish, she hears that her mother and brother have been taken by the SS, the German secret police. Only her desperate hope that her father will return sustains her. At war's end she must learn to live with the terrible truth of "the final solution," the Nazi's extermination camps. The people who sheltered Régine cover a wide spectrum of human types, ranging from callous to kind, fearful to defiant, exploitive to caring. This is a story of a brave girl and an equally brave woman to tell the story so many years later.

Featured in multiple "must-read" lists, *No One Tells You This* is "sharp, intimate...A funny, frank, and fearless memoir...and a refreshing view of the possibilities—and pitfalls—personal freedom can offer modern women" (Kirkus Reviews). If the story doesn't end with marriage or a child, what then? This question plagued Glynnis MacNicol on the eve of her fortieth birthday. Despite a successful career as a writer, and an exciting life in New York City, Glynnis was constantly reminded she had neither of the things the world expected of a woman her age: a partner or a baby. She knew she was supposed to feel bad about this. After all, single women and those without children are often seen as objects of pity or indulgent spoiled creatures who think only of themselves. Glynnis refused to be cast into either of those roles, and yet the question remained: What now? There was no good blueprint for how to be a woman alone in the world. It was time to create one. Over the course of her fortieth year, which this "beguiling" (The Washington Post) memoir chronicles, Glynnis embarks on a revealing journey of self-discovery that continually contradicts everything she'd been led to expect. Through the trials of family illness and turmoil, and the thrills of far-flung travel and adventures with men, young and old (and sometimes wearing cowboy hats), she wrestles with her biggest hopes and fears about love, death, sex, friendship, and loneliness. In doing so, she discovers that holding the power to determine her own fate requires a resilience and courage that no one talks about, and is more rewarding than anyone imagines. "Amid the raft of motherhood memoirs out this summer, it's refreshing to read a book unapologetically dedicated to the fulfillment of single life" (Vogue). *No One Tells You This* is an "honest" (Huffington Post) reckoning with modern womanhood and "a perfect balance between edgy and poignant" (People)—an exhilarating journey that will resonate with anyone determined to live by their own rules.

Uses a fictionalized story about a copy machine salesman to illustrate to readers how anyone who wants to break through self-imposed barriers can achieve all that life has to offer.

The award-winning author of *The Interpreter* traces her experiences as an English teacher to the sons of North Korea's elite during the last six months of Kim Jong Il's reign, an effort complicated by oppressive regime enforcers, propaganda and evangelical missionaries. 40,000 first printing.

Sara Shepard's *Pretty Little Liars* series meets the cult classic film *Fargo* in this gripping, dark comedy by debut author Kathleen Hale. A quiet town like Friendship, Wisconsin, keeps most of its secrets buried . . . but when local teen Ruth Fried is found murdered in a cornfield, her best friend, Kippy Bushman, decides she must uncover the truth and catch the killer. Since the police aren't much help, Kippy looks to her newly discovered idol, journalist Diane Sawyer, for tips on how to conduct her investigation. But Kippy soon discovers, if you want to dig up the truth, your hands have to get a little dirty, don'tcha know. In this riveting young adult novel, Kathleen Hale creates a quirky murder mystery that is intricately plotted and sure to keep readers guessing, laughing, and cringing until the surprising final pages. "Can a murder mystery be funny? You betcha!" raved Kirkus Reviews in a starred review.

In his blistering new novel, Cormac McCarthy returns to the Texas-Mexico border, setting of his famed *Border Trilogy*. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning 's headlines. *No Country for Old Men* is a triumph.
