As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married

We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

golden boy. Heir to a fortune, he knew what his life was going to be. But he wanted adventure first. A year to do what he wanted, where he wanted before college. An unexpected betrayal would change everything. Sophie Lipton was fifteen the first time she set foot on the Branson ranch. Dragged from one place to another, never having more than one pair of shoes or enough to eat, the moment she saw the wide open spaces, she felt she could breathe for the first time in her life. It was the home she always dreamed of. But her happiness came at a price. To stay in her new home, Sophie had to keep somebody else's lies. Lies that would eventually tear apart a family. And tear apart her friendship with Forbes. Coming home is never easy-especially after twelve years. Forbes isn't the same young man. He found his adventure-

Working on his family's ranch and taking the job as Chief of Police sounds like a piece of cake after the things he had seen and done. Sophie isn't the quiet girl Forbes remembers. She's grown into a strong, confident woman. A woman used to being in charge. The Branson ranch is her territory now. If Forbes thinks he's going to waltz back in and take over, he's going to find out fast that Sophie is no pushover. Twelve years ago, they shared one goodbye kiss. More sweet than passionate. Now, as adults it's a whole new game. The attraction between them is undeniable. Just as they begin to move forward, the past has other ideas. Secrets rarely stay buried forever. Lies. Betrayal. Maybe even murder. Before Forbes and Sophie can think about the future, they will need

In the decade after 9/11, Rev. Seth Kaper-Dale did what preachers were doing all across America--he entered the pulpit and tried to claim Jesus Christ as the risen one who is ushering in a renewed and restored kingdom, even as it seemed that so many nations and special interest groups were claiming power and authority. Over the course of a decade many of the sermons directly addressed the great issues through reflection on the biblical narrative. Sometimes that interaction resulted in the congregation being moved by faith to enter the fray and to address issues such as war, natural disasters, sexual orientation, economic disparity, immigration reform, interfaith matters, and ecological disaster. In short, when the Bible met the big issues in congregational space and time, the church was transformed in Spirit and

made ready for real action. In thirty-four sermons that go from pre-emptive war to the Arab Spring, Seth insists that nothing that happens in real history lies outside the realm of theological reflection, and that there is nothing a congregation cannot delve into once it has seen why the particular kingdom message of Jesus Christ is stronger than any other power.
